

BOARD MEETING DATE: February 2, 2018

AGENDA NO. 26

REPORT: Mobile Source Air Pollution Reduction Review Committee

SYNOPSIS: Below is a summary of key issues addressed at the MSRC's meeting on January 18, 2018. The next meeting is scheduled for Thursday, February 15, 2018, at 2:00 p.m., in Conference Room CC8.

RECOMMENDED ACTION:
Receive and file.

Ben Benoit
SCAQMD Representative on MSRC

MMM:FM:psc

Meeting Minutes Approved

The MSRC unanimously approved the minutes of the November 16, 2017 meeting. Those approved minutes are attached for your information (*Attachment 1*).

Modification of 2018 MSRC-TAC Meeting Schedule

In November 2017, the MSRC approved the 2018 meeting schedules for the MSRC-TAC and MSRC. The MSRC-TAC schedule showed an incorrect date for the March meeting. The meeting date was moved from March 8, 2018 to March 1, 2018.

FYs 2016-18 Natural Gas Infrastructure Program

The MSRC approved the release of Program Announcement #PA2017-07 under the FYs 2016-18 Work Program. The Program Announcement, with a targeted funding level of \$4.0 million, provides funds for new and expanded natural gas stations, as well as for the upgrade of existing vehicle maintenance facilities and technician training. Stations will be eligible for up to 50 percent of station capital equipment, site construction, signage, and reasonable project management costs, not to exceed the specified maximum award amounts. The maximum MSRC funding per project varies from \$100,000 to \$275,000 depending upon whether the applicant is a public or private entity, the accessibility level of the proposed project, and the number of fuels offered. Additionally, projects may be eligible for a \$100,000 bonus if they commit to use at least 50% renewable natural gas for a minimum of five years. The RFP includes an

open application period commencing with its release on June 2, 2017, and closing June 29, 2018. To date, the MSRC has awarded a total of \$118,500. The MSRC considered recommendations concerning two additional applications and approved a contract with the City of Banning in an amount not to exceed \$225,000 and a contract with the City of Norwalk in an amount not to exceed \$75,000, as part of the FYs 2016-18 Work Program. These contract awards will be considered by the SCAQMD Board at its February 2, 2018 meeting.

FYs 2016-18 Major Event Center Transportation Program (PA2017-05)

As part of its FYs 2016-18 Work Program, the MSRC allocated \$5,000,000 for event center transportation programs and released Program Announcement #PA2017-05. The Program Announcement solicits applications from qualifying major event centers and/or transportation providers to provide transportation service for venues not currently served by sufficient transportation service. To date, the MSRC has awarded a total of \$2,247,809. The MSRC considered recommendations concerning an additional application submitted by Metrolink. Metrolink requested the MSRC to consider an award of \$87,764 to provide special train service for the final day of the 2018 Auto Club 400 NASCAR race to be held on March 18, 2018 at Auto Club Speedway. Service would be provided using Tier 4 locomotives, the cleanest available, on three routes, out of Oceanside, Oxnard, and Lancaster, with the first train arriving at 9:10 a.m. All three special Metrolink trains will wait up to 60 minutes following the conclusion of the race before departing. A dedicated tram service will connect patrons from the train platforms to the track. Service would promote the use of rail in lieu of personal automobile. Metrolink and the Auto Club Speedway would contribute at least \$245,000 in co-funding. The MSRC approved a contract award to Metrolink in an amount not to exceed \$87,764 as part of the FYs 2016-18 Work Program. This contract award will be considered by the SCAQMD Board at its February 2, 2018 meeting.

FYs 2016-18 Local Government Partnership Program

The MSRC approved the release of Local Government Partnership PON2018-01 under the FYs 2016-18 Work Program. The Invitation to Negotiate (ITN), with a targeted funding level of \$21,180,650, focuses on providing funds for projects to support SCAQMD's 2016 AQMP. Cities and counties which have opted into the AB 2766 motor vehicle registration surcharge fee program are eligible to participate. The majority of participants would be allocated maximum funding equivalent to their annual AB 2766 Subvention Fund allocation; however, those whose annual Subvention Fund allocation is less than \$50,000 would be eligible to receive a maximum of \$50,000, and the maximum allocation for any single city or county would be \$3,000,000. MSRC funding could be used for light-duty zero emission vehicle purchases and leases; medium- and heavy-duty zero emission vehicle purchases, near-zero emission heavy-duty alternative fuel vehicle purchases and repower, electric vehicle charging station installation, and construction or expansion of alternative fuel refueling infrastructure, subject to match funding requirements as outlined in the ITN. Additionally, those

jurisdictions eligible for a maximum contribution of \$50,000 would have the option to pursue traffic signal synchronization, bicycle active transportation, and first mile/last mile strategies. The ITN includes an open application period commencing with its release on September 1, 2017, and closing March 2, 2018. The MSRC considered recommendations regarding four applications: (1) City of Hidden Hills in an amount not to exceed \$49,999 to procure up to two light-duty zero-emission vehicles and install electric vehicle charging infrastructure; (2) City of Colton in an amount not to exceed \$67,881 to procure one medium-duty and one heavy-duty zero-emission vehicles; (3) City of Signal Hill in an amount not to exceed \$49,661 to install electric vehicle charging infrastructure; and (4) City of Desert Hot Springs in an amount not to exceed \$50,000 to synchronize signals on Palm Drive. The MSRC unanimously approved four awards totaling \$217,541 as part of the FYs 2016-18 Work Program. These contract awards will be considered by the SCAQMD Board at its February 2, 2018 meeting.

FYs 2016-18 County Transportation Commission Partnership Program

The MSRC approved release of an Invitation to Negotiate for the CTC Partnership Program under the FYs 2016-18 Work Program. The ITN, with a targeted funding level of \$8,000,000, seeks to stimulate the demonstration of innovative projects, as well as expand “tried and true” air quality improvement strategies. CTCs within SCAQMD are eligible to participate. Other public and private entities could participate as subcontractors to a CTC. Each CTC is eligible to receive a maximum of \$2,000,000 on a sole-source contract award basis. Eligible project types include, but are not necessarily limited to: capital improvement projects, capital purchase projects including fleet vehicle purchases that meet, at a minimum, ARB’s optional 0.02 g/bhp-hr NOx emissions standard, traffic signal coordination, ridesharing programs, active transportation programs including bicycle sharing projects, transit pass incentive programs, freeway service patrols, first mile/last mile strategies, and information technology projects that focus on air quality improvement. The ITN includes an open application period commencing with its release on December 1, 2017, and closing June 29, 2018. The MSRC considered recommendations concerning two work plans submitted by RCTC.

Firstly, RCTC requested the MSRC to consider an award of \$500,000 to implement new weekend FSP service. The purpose of the FSP program is to provide continuously roving tow truck services along designated freeway segments (referred to as beats) to relieve freeway congestion and facilitate the rapid removal of disabled vehicles as well as vehicles involved in minor accidents. New weekend service is proposed for State Route 91 from Magnolia Avenue to the 60/91/215 Interchange, and on State Route 60/Interstate 215 from Central Avenue to I-215 at Alessandro Boulevard to State Route 60 at Theodore Street. The project would start with a base schedule of 10 a.m. to 6 p.m. on Saturdays and Sundays. After the first six months, RCTC would evaluate the service and determine if any schedule adjustments were warranted. Given a maximum 8-hour service schedule per weekend day, it is projected that the \$500,000 request would

provide for 27 months of operations. RCTC would provide a minimum of \$133,000 in California Highway Patrol supervision co-funding. The MSRC approved a contract award to RCTC in an amount not to exceed \$500,000 as part of the FYs 2016-18 Work Program for the weekend FSP service.

Secondly, RCTC requested the MSRC to consider an award of \$1,500,000 to implement a long distance commuter vanpool program. The program would target long distance commuters who travel more than 30 roundtrip miles per day and a minimum of 12 days per month. The drivers and passengers would be commuters traveling to and from their worksites. Vans could either be leased through the California Vanpool Authority (CalVans) or a private sector third-party leasing vendor to be selected by RCTC, with a monthly subsidy of 50% of the vanpool lease costs, not to exceed \$400 per month. Program administration would be provided by a consultant to be selected by RCTC. RCTC anticipates enrolling 224 vanpools by the end of FY 2019-20. RCTC would contribute a minimum of \$208,000 in vanpool subsidy co-funding, plus staff and consultant support. The MSRC approved a contract award to RCTC in an amount not to exceed \$1,500,000 as part of the FYs 2016-18 Work Program for the vanpool incentive program. These contract awards will be considered by the SCAQMD Board at its February 2, 2018 meeting.

Contract Modification Requests

The MSRC considered four contract modification requests and took the following actions:

1. For City of Beverly Hills, Contract #ML09033, which provides \$550,000 to purchase 10 heavy-duty CNG vehicles and Install CNG station, an eight-month contract term extension, due to delays associated with the City's vehicle replacement schedule;
2. For City of Corona, Contract #ML14019, which provides \$178,263 to install EV charging, bicycle racks and bicycle lockers, a four-month contract term extension, due to expected delays in Southern California Edison meter installation at two of the EV charging station locations;
3. For City of Long Beach, Contract #ML16017, which provides \$1,445,400 to purchase 48 medium-duty and 16 heavy-duty natural gas vehicles and install a CNG station, a modified statement of work substituting some vehicles and increasing the totals to 50 medium-duty and 19 heavy-duty, due to changes in department needs;
4. For San Bernardino County Transportation Authority (SBCTA), Contract #MS14072, which provides \$1,250,000 to implement signal synchronization projects, a two-year term extension due to delays in the modification of signals at three intersections, which must be completed before interconnecting the traffic signals.

The SCAQMD Board will consider the above contract modification for SBCTA at its February 2, 2018 meeting.

Received and Approved Final Reports

The MSRC received and unanimously approved two final report summaries this month as follows:

1. SCRRA (Metrolink), Contract #MS16100, which provided \$80,455 for Metrolink Service to the Auto Club Speedway; and
2. Transit Systems Unlimited, Inc., Contract #MS16088, which provided \$17,000 for the expansion of an existing CNG station.

Contracts Administrator's Report

The MSRC's AB 2766 Contracts Administrator provides a written status report on all open contracts from FY 2004-05 through the present. The Contracts Administrator's Report for October 26, 2017 through January 3, 2018 is attached (Attachment 2) for your information.

Attachments

Attachment 1 – Approved November 16, 2017 Meeting Minutes

Attachment 2 – October 26, 2017 through January 3, 2018 Contracts Administrator's Report

**MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE
THURSDAY, NOVEMBER 16, 2017 MEETING MINUTES**

21865 Copley Drive, Diamond, Bar, CA 91765 - Conference Room CC-8

MEMBERS PRESENT:

(Vice-Chair) Larry McCallon, representing SBCTA
Michael Carter (Alt.), representing California Air Resources Board
Michele Martinez, representing SCAG
Dolores Roybal Saltarelli, representing Regional Rideshare Agency (via v/c)
Greg Winterbottom, representing OCTA

MEMBERS ABSENT:

Ben Benoit, representing SCAQMD
Jack Kitowski, representing California Air Resources Board
(Chair) Greg Pettis, representing RCTC
Steve Veres, representing LA County MTA
Mark Yamarone (Alt.), representing Los Angeles County MTA (via v/c)

MSRC-TAC MEMBERS PRESENT:

Rongsheng Luo, SCAG
Vicki White, SCAQMD

OTHERS PRESENT:

Ric Teano, OCTA
Rye Baerg, SCAG

SCAQMD STAFF & CONTRACTORS

Leah Alfaro, MSRC Contracts Assistant
Penny Shaw Cedillo, MSRC Administrative Liaison
Ray Gorski, MSRC Technical Advisor-Contractor
Megan Lorenz, Principal Deputy District Counsel
Matt Miyasato, Deputy Executive Officer
Fred Minassian, Asst. Deputy Executive Officer
Cynthia Ravenstein, MSRC Contracts Administrator
Paul Wright, Information Technology Specialist

CALL TO ORDER

- Call to Order
Vice-Chair Larry McCallon called to order at 2:01 p.m.

Roll call was taken at the start of the meeting. The following members and alternates were present: Michael Carter, Michele Martinez, Larry McCallon, Dolores Roybal Saltarelli, Greg Winterbottom.

- Opening Comments

There were no opening comments.

STATUS REPORT

Copies of the Clean Transportation Policy Update were distributed at the meeting.

CONSENT CALENDAR (Items 1 through 4)
Receive and Approve Items**Agenda Item #1 – Minutes for the September 21, 2017 MSRC Meetings**

The minutes of the September 21, 2017 meeting were distributed at the meeting.

ON MOTION BY MSRC MEMBER DOLORES ROYBAL SALTARELLI AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, UNDER
APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #4, THE
MSRC UNANIMOUSLY APPROVED THE SEPTEMBER 21, 2017 MSRC
MEETING MINUTES.

AYES: CARTER, MARTINEZ, MCCALLON, ROYBAL SALTARELLI,
WINTERBOTTOM.

NOES: NONE.

ACTION: Staff will include the September 21, 2017 meeting minutes in the MSRC Committee Report for the December 1, 2017 SCAQMD Board meeting and will place copies on the MSRC's website.

Agenda Item #2 – Consider Adoption of 2018 Meeting Schedules

Annually the MSRC considers a proposed meeting schedule for the upcoming year. The schedule continues with meetings on the first and third Thursdays, respectively, for the MSRC-TAC and MSRC, with two exceptions. Staff recommends the MSRC-TAC meetings in January and December be held on the second Thursday of the month to avoid holiday conflicts.

ON MOTION BY MSRC MEMBER DOLORES ROYBAL SALTARELLI AND SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, UNDER APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #4, THE MSRC UNANIMOUSLY VOTED TO ADOPT THE 2018 MSRC AND MSRC-TAC MEETING SCHEDULES.

AYES: CARTER, MARTINEZ, MCCALLON, ROYBAL SALTARELLI, WINTERBOTTOM.

NOES: NONE.

ACTION: No further action is required.

Information Only - Receive and File

Agenda Item #3 – MSRC Contracts Administrator’s Report

The MSRC AB 2766 Contracts Administrator’s Report for August 31 through October 25, 2017 was included in the agenda package.

ON MOTION BY MSRC MEMBER DOLORES ROYBAL SALTARELLI AND SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, UNDER APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #4, THE MSRC UNANIMOUSLY VOTED TO RECEIVE AND FILE THE CONTRACTS ADMINISTRATOR’S REPORT FOR AUGUST 31 THROUGH OCTOBER 25, 2017.

AYES: CARTER, MARTINEZ, MCCALLON, ROYBAL SALTARELLI, WINTERBOTTOM.

NOES: NONE.

ACTION: Staff will include the MSRC Contracts Administrator’s Report in the MSRC Committee Report for the December 1, 2017 SCAQMD Board meeting.

Agenda Item #4 – Financial Report on AB 2766 Discretionary Fund

A financial report on the AB 2766 Discretionary Fund for October 2017 was included in the agenda package.

ON MOTION BY MSRC MEMBER DOLORES ROYBAL SALTARELLI AND SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, UNDER OF APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #4, THE MSRC UNANIMOUSLY VOTED TO RECEIVE AND FILE THE FINANCIAL REPORT FOR THE PERIOD ENDING OCTOBER 2017.

AYES: CARTER, MARTINEZ, MCCALLON, ROYBAL SALTARELLI, WINTERBOTTOM.

NOES: NONE.

ACTION: No further action is required.

ACTION CALENDAR (Items 5 through 9)**FYs 2016-18 WORK PROGRAM****Agenda Item #5 – Consider Option to Extend Programmatic Outreach #MS16030 – The Better World Group**

Cynthia Ravenstein, MSRC Contracts Administrator, reported on this item. Following an open RFP process in 2015 the MSRC awarded \$120,000 for problematic outreach services to the Better World Group. The contract allowed for a two-year extension in an amount not to exceed \$125,903, contingent upon allocation of funds by the MSRC and approval by SCAQMD Governing Board. The MSRC-TAC Administrative Subcommittee was convened to review the Better World Group's performance over the past year and a half or so and their consensus was overall the Better World Group was doing a good job. MSRC-TAC recommends that the contract extension option be exercised carrying over any unexpended funds that are remaining in the contract, based on the proposal that was submitted back in 2015, the cost of the option is set at \$125,903.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM THE MSRC
UNANIMOUSLY VOTED TO EXECUTE THE TWO-YEAR OPTION ON
CONTRACT #MS16030 AND ALLOCATED \$125,903 TO THE BETTER
WORLD GROUP.

AYES: CARTER, MARTINEZ, MCCALLON, ROYBAL SALTARELLI,
WINTERBOTTOM.

NOES: NONE.

ACTION: MSRC Staff will amend the above contract accordingly.

Agenda Item #6 – Consider Hydrogen Infrastructure Partnership Program

Cynthia Ravenstein, MSRC Contracts Administrator, reported on this item. At the May 18, 2017 meeting, the MSRC considered a proposed infrastructure program concept. Along with natural gas and electric vehicle support equipment, another concept was hydrogen fueling infrastructure. The targeted funding amount for hydrogen infrastructure was \$3M. The California Energy Commission (CEC) has offered to provide assistance in the selection and administration of MSRC funded hydrogen projects. The MSRC would be able to set parameters for the projects, one of those being prioritization of at least one project from each county within the south coast air basin. The CEC would provide a list of potential hydrogen refueling station projects for consideration, looking first at projects that have already been proposed but were not able to be funded. If there were not adequate projects to meet the set parameters, they would help the MSRC to identify other potential projects that meet parameters. They would also provide advice concerning the strengths and weaknesses of each of the other projects; the SCAQMD would also be asked for their input. There could be some desire to co-fund some of the projects because these projects are not low cost. It would be brought back to the MSRC to decide the specific projects to be funded. Once the decision is made, CEC would do the day-to-day administration

of the projects, they would enter into the contracts for the project component with MSRC staff oversight. They have offered to do this at no cost. The MSRC-TAC is recommending approval of establishing a Hydrogen Infrastructure Partnership Program with the California Energy Commission in the amount of \$3M.

MSRC Member Michele Martinez questioned if projects were submitted to the California Energy Commission, they're going to be the first in the queue, are they still going to open up projects for others in the region to actually apply? Are they going to look at projects that did not receive funding or maybe were not eligible at the time? Are they going to look at those first or we going to have an opening of projects giving the other jurisdictions opportunity? Ms. Ravenstein replied the idea was to first look at some things that have already been vetted but if amongst those, the MSRC does not find something that they want or is not being met, whether it is a geographic consideration or some other consideration, they would help to identify other projects. Ms. Martinez added I just want to make sure that there is balance across the region. Vice-Chair Larry McCallon added that our concern has always been to make sure there is geographical equity as much as possible and to make sure the funds are used. If we cannot find something in one of their areas, the funds will not be distributed.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, THE MSRC
UNANIMOUSLY VOTED TO APPROVE AN AWARD TO THE
CALIFORNIA ENERGY COMMISSION FOR \$3M.

AYES: CARTER, MARTINEZ, MCCALLON, ROYBAL SALTARELLI,
WINTERBOTTOM.

NOES: NONE.

ACTION: This item will be considered by the SCAQMD Board at its meeting on December 1, 2017.

Agenda Item #7 – Consider Sole Source Funding Award to the UCLA Luskin Center for Innovation (Luskin Center) for Planning for Electric Vehicle Charging Infrastructure Investments

Ray Gorski, MSRC Technical Advisor, presented this item. This item is asking your review and approval to award a contract to the Luskin Center for Innovation of UCLA in the amount of \$250,795. This is another element of the infrastructure program which the MSRC has under its two-year work program, this being specifically for electric vehicle charging infrastructure or EVSE, as it is typically referred to. When the MSRC allocated the funding for electric vehicle charging infrastructure, there were two primary areas of focus: (1) workplace charging, looking where people would spend the majority of their day, such that they can charge their electric vehicle while they are at their work location; and (2) multi-unit developments, they are really the most difficult to tackle. Multi-unit housing really doesn't have much of an incentive to put in another piece of infrastructure that has a cost associated with it when they themselves aren't necessarily a beneficiary of it. We feel that to adequately address what is needed as far as the overall EV marketplace, those are two areas that need additional focus. There's a lot going on with residential charging. As you are aware, the MSRC has partnered with the South Coast Air Quality Management District on a residential EV Charging Buy Down Program. There are lots

of other programs that are being offered not only through state agencies but also the VW settlement. When this Committee gave the green light to go forth and put our heads together and figure out how we're going to approach multi-unit developments and workplace charging, it became obvious that it's difficult and there are a lot of other entities that you need to coordinate with. Everyone is looking at doing their share of this overall EVSE implementation strategy. We were approached with the recommendation from SCAG to look at some work which has been done by UCLA's Luskin Center, specifically some studies they had done focusing on the Santa Monica area as well as Rancho Palos Verdes. Luskin has developed more of an analytical approach to assessing where the needs for EVSE are and more importantly where investments should be made, will they be utilized so that you will have a return on that investment. They do this by doing a relatively detailed assessment of where the chargers are located, where the workforce is migrating to and from on a daily basis, what's the employee base, and other demographic considerations that would make you believe that this would be a place to install EV chargers that would be utilized. They were able to present that to us in a manner that we felt would be beneficial if that was broadened to include the entire South Coast region. We are recommending to partner with UCLA's Luskin Center to implement a program that would help the MSRC identify strategic locations for the implementation of multi-unit development and workplace charging, so when funding is available, we will have a higher probability we will actually get chargers at those locations and in fact they will have a high rate of utilization. Instead of taking just a broad swath, this is doing some work up front to help do a more surgical assessment of what the opportunities are and then focus your resources on those opportunities which will yield the highest return. We have been working with other regulatory agencies such as the CEC and ARB. We presented it to them, they believe that not only would this benefit the MSRC programs but could also add benefit to other EVSE implementation programs which are being considered.

MSRC Member Michele Martinez commented that she is very supportive of this but what about for civic centers? To give you an example, Santa Ana, we are the county seat for Orange County, we have a lot of government entities, they are not just staying in the government buildings they go off to the downtown area to eat lunch and do other things and then they take their vehicle. One of the issues that was raised to me is we do not have any electric vehicle outlets downtown or anything else to help accommodate that. What is the true definition of workplace, do we have a definition or is it broad? Would it include something like a civic center where you're actually have multiple federal/state/local agencies surrounding a downtown to which they use their vehicles to commute? Mr. Gorski replied typically when we think about workplace charging, we really mean your final destination, where your employment is. The reason is, we anticipate that you will be plugging your car in for a relatively long period of time. It would be more of a daily charging as opposed to an opportunity charging. In putting infrastructure within an area such as your downtown Santa Ana, that is more of an opportunity charging, meaning that when you are going to lunch it would be great if you could plug your vehicle in for 30-45 minutes to get that additional charge but then take it off and let another user use that spot. They are both important if we are really going to achieve the level of electric vehicle adoption that the state suggests we need. For the workplace charging element, we are really looking at places where people are going to go and leave their vehicle there during the day. Cynthia Ravenstein, MSRC Contracts Administrator added that under the Local Partnership Match Program, your city does have an allocation. One of the most attractive options under that program is the publicly accessible electric vehicle charging category where MSRC would fund 75% of the cost.

MSRC Vice-Chair Larry McCallon stated that his concern is the \$254,795 will be taken away from the \$3M. Mr. Gorski replied that is exactly correct. The \$3M was anticipated to be leveraged with other monies which would be made available from other organizations including the California Energy Commission. It was never intended that the \$3M be the only funding which was brought forth for this program. The original number that we were hoping for was \$9M. The thought was it would be difficult to have staff expend a lot of effort trying to find locations. Mr. McCallon asked who allocated that. Mr. Gorski replied the MSRC. Mr. McCallon stated then it could be changed.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, THE MSRC
UNANIMOUSLY VOTED TO APPROVE AN AWARD TO UCLA'S LUSKIN
CENTER FOR \$254,795.

AYES: CARTER, MARTINEZ, MCCALLON, ROYBAL SALTARELLI,
WINTERBOTTOM.

NOES: NONE.

ACTION: This item will be considered by the SCAQMD Board at its meeting on December 1, 2017.

Agenda Item #8 – Consider Sole Source Funding Award to the Southern California Association of Governments (SCAG) for Implementation of a Southern California Future Communities Partnership Program

MSRC Vice-Chair Larry McCallon noted for Agenda Item #8, that he has no financial interest however, he is a member of the Transportation Committee for Southern California Association of Governments (SCAG) and needs to disclose that for public record.

MSRC Member Michele Martinez noted for Agenda Item #8, that she has no financial interest however, she is a member of the Regional Council for Southern California Association of Governments (SCAG) and needs to disclose that for public record.

Ray Gorski, MSRC Technical Advisor, presented this item. This is another opportunity that's being presented to form a partnership with the Southern California Association of Governments (SCAG). As you may recall, the MSRC forged a partnership to do Active Transportation Programs last year with SCAG. This program uses a very similar format. It is a partnership where the MSRC would allocate \$2M but that would be matched by other resources which would be brought to bear, both by SCAG as well as a number of cities which would ultimately participate in the program. This program is looking at future communities "smart cities". It's trying to reduce vehicle miles traveled (VMT) in vehicle trips by implementing innovative technology which can eliminate automobile use. Over the past 25 years, the MSRC has done programs like this but that was before there were things like smartphones and other types of technology advancements which today we feel are going to significantly change how those strategies would be implemented. There needs to be work to identify what these strategies are and actually demonstrate them to quantify what the benefit is. This is a multi-phase project in which SCAG would be funding the initial two phases. SCAG will be responsible for conducting the initial research to identify the most promising technologies, as well as implementing a call for projects to identify entities, cities, and counties which would be willing to try some out and

also collect data to see how effective they are. The MSRC would have their funding applied in Phase 3, which is the issuance of a Request for Proposals to bring in additional projects to help perforate these technologies on a broader basis throughout the South Coast district, focusing primarily on cities and counties with additional support being provided by the County Transportation Commissions. The final phase of the program is the technical evaluation that would be funded by SCAG. Although this is a program which has many phases and is at least two years in duration, the MSRC funding would be used to demonstrate those projects which are going to result in the direct and quantifiable air quality benefits. The MSRC-TAC recommends approval of the award.

MSRC Vice-Chair Larry McCallon asked will this program be limited to the four counties of AQMD? Mr. Gorski replied that is correct. Even though SCAG is the MPO for six counties total, this would need to be within the four counties that comprise the South Coast Air Quality Management District.

MSRC Member Michele Martinez commented I'd like to thank the TAC for moving forward and being a visionary in partnering and leveraging. I also want to thank Ray for your leadership as well in bringing it together with SCAG leadership to come up with programs like this. As we move forward and we look at cities, our resources are becoming scarce. We have issues with sales tax and property tax, our pensions, our infrastructure, legacy costs. The opportunities that we can move towards leveraging partnerships and then going and getting those resources are becoming very valuable to cities because we don't have any other ways to fund projects like this. I just really want to thank SCAG and the MSRC for coming together and helping us so that we are able to provide funds where they are needed so we all benefit and reduce some of the barriers that we have as it pertains to air quality. I think it's a wonderful program. I am excited that we are moving in this direction.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ AND
SECONDED BY MSRC VICE CHAIR LARRY MCCALLON, THE MSRC
UNANIMOUSLY VOTED TO APPROVE AN AWARD TO SOUTHERN
CALIFORNIA ASSOCIATION OF GOVERNMENTS FOR \$2.0M.
AYES: CARTER, MARTINEZ, MCCALLON, ROYBAL SALTARELLI,
WINTERBOTTOM.
NOES: NONE.

ACTION: This item will be considered by the SCAQMD Board at its meeting on December 1, 2017.

Agenda Item #9 – Consider Invitation to Negotiate for CTC Partnership Program

Ray Gorski, MSRC Technical Advisor, presented this item. This is a follow-on to two other programs which the MSRC had implemented over the past several years. A few years ago, the MSRC had a partnership program with the County Transportation Commissions (CTCs). It was a partnership program that specifically looked at improving traffic flow through signal coordination and signal synchronization. The program was designed such that each of the CTCs had the ability to put together a list of projects which they felt were most in need of funding, present it to the MSRC and get approval on whether or not they met the needs of this Committee. The second program was a transportation control measure program with the CTCs that was

structured in the same method. Each CTC within their region has their own needs and their own objectives. We allowed the County Transportation Commissions to come in and say, within the overall contexts of traffic demand management (TDM) and transportation control measures (TCMs), which projects and which jurisdictions they felt would yield the most air quality benefits and be of most benefit to their county. They brought in their projects and the MSRC reviewed and approved them. This current proposed solicitation is requesting a total of \$8M with a funding allocation of \$2M to each of the four CTCs. This will be structured in a very similar way to the prior two programs. Each CTC would put together a proposal in which they would show specifically where they would allocate the funding awarded and the MSRC would review the projects and decide if the needs of the Committee were met. The only thing that has changed is instead of having one or two categories, this has been made much broader. Eligible project categories include capital improvement projects, which includes infrastructure development; capital purchase projects, which is limited to zero and near zero buses; traffic signal coordination and Transportation Control measure programs.

MSRC Vice-Chair Larry McCallon questioned would the CTCs reach out to transit districts and cities? Mr. Gorski replied absolutely, historically each CTC has taken a different approach. Some CTC's will choose to have a competition and others will have already identified specific areas which are currently experiencing a funding shortfall. Mr. McCallon questioned will the MSRC have any oversight or approval of projects? Mr. Gorski replied all projects have to be approved by this Committee prior to being awarded the funding.

MSRC Member Greg Winterbottom stated you deserve an additional a person for the work that you have been doing. The last three projects are not low-hanging fruit. We've been talking about how good we've done in the past but it's all the low-hanging fruit, now that that's all gone, we are moving up the tree and I think these are three great projects that are hopefully going to help us remove some VMT. Good job staff.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, THE MSRC
UNANIMOUSLY VOTED TO APPROVE A PARTNERSHIP PROGRAM
WITH THE COUNTY TRANSPORTATION COMMISSIONS FOR \$8M.
AYES: MARTINEZ, PETTIS, ROYBAL SALTARELLI, VERES, WINTERBOTTOM.
NOES: NONE.

ACTION: This item will be considered by the SCAQMD Board at its meeting on December 1, 2017.

OTHER BUSINESS

- Michele Martinez commented SB1000 is coming into effect January 2018, as we talked about having to do an environmental justice element and reducing impacts. Of course, air quality is going to be a major one for cities. As we move forward can we include this new law because each City will have to map out where their disadvantaged communities are and what does that mean and what are the health risk and impacts. It would be perfect for us. Especially those cities that are already in the process of doing their general plan and for those that are going to update. This is an opportunity for us to help. Mr. Ray Gorski replied often times when we are working with these partnership programs, economically

and historically disadvantaged communities do come into play. I think all of us are pretty experienced using CalEnvironScreen 3.0 because it's required to have an understanding of what these challenge areas are. We are absolutely anticipating that it would be. Matt Miyasato, DEO/Science & Technology Advancement added to address the disadvantaged communities, there are tons of work going on with ARB and ourselves, the big air districts to implement AB 617 and all the associated other legislations. There's going to be a massive effort for the foreseeable future. We are working very hard and it is a priority. Ms. Martinez added a lot of cities and even communities are not aware and they do not understand what environmental justice or disadvantaged communities means, now we have to include the civic engagement component. A lot of people are not sure what to do. As we go out into the community, we just want to make sure, if there are opportunities that we are able to leverage whatever we possibly can to move our agenda forward. MSRC Vice-Chair Larry McCallon commented the SCAQMD has a very extensive environmental justice outreach program. Mr. Miyasato added we have a big environmental justice conference coming December 2nd with keynote speaker Councilmember Herb Wesson.

- Ray Gorski commented that the two-year work program has been fully obligated. All of the funding with the exception of \$340,000 has been allocated. This is above and beyond the \$500,000 prudent reserve. Is it the wish of this committee to have the money rolled forward as part of the discretionary fund for future work program or is there a specific item that staff could investigate that would fall within a \$300,000 targeted value? MSRC Member Michele Martinez questioned if the TAC has looked at it. Mr. Gorski replied the TAC has made some requests. Ms. Martinez stated if there is a worthwhile project please bring it forward but if not the funding should be rolled over.

PUBLIC COMMENT PERIOD

Public comments were allowed during the discussion of each agenda item. No comments were made on non-agenda items.

ADJOURNMENT

There being no further business, the MSRC meeting adjourned at 2:37 p.m.

NEXT MEETING

Thursday, December 21, 2017 at 2:00 p.m., Room CC8.

MSRC Agenda Item No. 3

DATE: January 18, 2018

FROM: Cynthia Ravenstein

SUBJECT: AB 2766 Contracts Administrator's Report

SYNOPSIS: This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from October 26, 2017 to January 3, 2018.

RECOMMENDATION: Receive and file report

WORK PROGRAM IMPACT: None

Contract Execution Status

2016-18 Work Program

On July 8, 2016, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On October 7, 2016, the SCAQMD Governing Board approved three awards under the Event Center Transportation Program and one award for a Regional Active Transportation Partnership Program. These contracts are with the prospective contractor for signature or executed.

On January 6, 2017, the SCAQMD Governing Board approved an award for development, hosting and maintenance of a new MSRC website. This contract is executed.

On April 7, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On June 2, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is with the prospective contractor for signature.

On July 7, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On September 1, 2017, the SCAQMD Governing Board approved one award under the Event Center Transportation Program and one award under the Natural Gas Infrastructure Program. These contracts are with the prospective contractor for signature.

On October 6, 2017, the SCAQMD Governing Board approved two awards under the Event Center Transportation Program and one award under the Natural Gas Infrastructure Program. These contracts are under development or undergoing internal review.

On December 1, 2017, the SCAQMD Governing Board approved sole source awards for a Hydrogen Infrastructure Partnership Program, for a Southern California Future Communities Partnership Program, and for electric vehicle charging infrastructure planning analysis. They also approved an option to extend the contract with the Better World Group for MSRC programmatic outreach services. These contracts are under development or undergoing internal review. The SCAQMD Governing Board also approved an Invitation to Negotiate for a CTC Partnership Program.

2014-16 Work Program

On December 5, 2014, the SCAQMD Governing Board approved an award under the AB118 Enhanced Fleet Maintenance Program. This contract is executed.

On June 5, 2015, the SCAQMD Governing Board approved two awards under the Event Center Transportation Program and one award to provide low-emission transportation services to the Special Olympics World Games. These contracts are executed.

On September 4, 2015, the SCAQMD Governing Board approved 25 awards under the Local Government Match Program and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On October 2, 2015, the SCAQMD Governing Board approved 11 awards under the Local Government Match Program and one award under the Alternative Fuel Infrastructure Program. These contracts are executed.

On November 6, 2015, the SCAQMD Governing Board approved 37 awards under the Local Government Match Program. These contracts are with the prospective contractor for signature or executed.

On December 4, 2015, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program, one award under the Alternative Fuel Infrastructure Program, and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On January 8, 2016, the SCAQMD Governing Board approved two awards under the Major Event Center Transportation Program, one award under the Local Government Match Program, and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On March 4, 2016, the SCAQMD Governing Board approved two awards under the Alternative Fuel Infrastructure Program. These contracts are executed.

On April 1, 2016, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program and five awards under the Transportation Control Measure Partnership Program. These contracts are executed.

On May 6, 2016, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On June 3, 2016, the SCAQMD Governing Board approved one award under the Alternative Fuel Infrastructure Program. This contract is executed.

On October 7, 2016, the SCAQMD Governing Board approved ten awards under the Alternative Fuel Infrastructure Program and five awards under the Near-Zero Natural Gas Engine Incentives Program. These contracts are under development, with the prospective contractor for signature, or executed.

On January 6, 2017, the SCAQMD Governing Board approved an award under the Alternative Fuel Infrastructure Program and an award under the Near-Zero Natural Gas Engine Incentives Program. These contracts are executed.

Work Program Status

Contract Status Reports for work program years with open (including “Open/Complete”) and/or pending contracts are attached.

FY 2004-05 Work Program Contracts

One contract from this work program year is open.

FY 2004-05 Invoices Paid

No invoices were paid during this period.

FY 2006-07 Work Program Contracts

No contracts from this work program year are open; and one is in “Open/Complete” status.

FY 2006-07 Invoices Paid

No invoices were paid during this period.

FY 2007-08 Work Program Contracts

4 contracts from this work program year are open; and 4 are in “Open/Complete” status.

FY 2007-08 Invoices Paid

No invoices were paid during this period.

FY 2008-09 Work Program Contracts

2 contracts from this work program year are open; and 5 are in “Open/Complete” status. Three contracts closed during this period: City of Los Angeles, Dept of Public Works, Contract #ML09023 – Purchase 2 Heavy-Duty Natural Gas Vehicles; City of Los Angeles, Dept of General Svcs, Contract #ML09031 – Purchase 33 Heavy-Duty Natural Gas Vehicles; City of Los Angeles, DWP, Contract #ML09042 – Purchase 56 Heavy-Duty Natural Gas Vehicles.

FY 2008-09 Invoices Paid

No invoices were paid during this period.

FY 2010-11 Work Program Contracts

7 contracts from this work program year are open; and 36 are in “Open/Complete” status.

FY 2010-11 Invoices Paid

1 invoice totaling \$9,749.50 was paid during this period.

FY 2011-12 Work Program Contracts

15 contracts from this work program year are open, and 33 are in “Open/Complete” status.

FY 2011-12 Invoices Paid

1 invoice totaling \$30,000 was paid during this period.

FYs 2012-14 Work Program Contracts

39 contracts from this work program year are open, and 23 are in “Open/Complete” status. One contract moved into “Open/Complete” status during this period: City of Fullerton, Contract #ML14028 – Expansion of existing CNG infrastructure.

FYs 2012-14 Invoices Paid

No invoices were paid during this period.

FYs 2014-16 Work Program Contracts

81 contracts from this work program year are open, and 13 are in “Open/Complete” status.

FYs 2014-16 Invoices Paid

8 invoices totaling \$627,564.90 were paid during this period.

FYs 2016-18 Work Program Contracts

5 contracts from this work program year are open.

FYs 2016-18 Invoices Paid

No invoices were paid during this period.

Administrative Scope Changes

4 administrative scope changes were initiated during the period of October 26, 2017 through January 3, 2018:

- City of Pomona, Contract #ML16008 (Purchase Four Medium-Duty and Nine Heavy-Duty Natural Gas Vehicles) – Reduced scope to the purchase of three medium-duty and one heavy-duty vehicles, reduced value from \$310,000 to \$60,000, plus twelve-month term extension
- American Honda Motor Co., Inc., Contract #MS14078 (Install Public Access CNG Station) – citing insurmountable obstacles to public access, Honda requested to return the funds.
- City of Ontario, Contract #ML16056 (Expand CNG Station) – One-year no-cost term extension
- City of Highland, Contract #ML14055 (Bicycle Lanes & Outreach) – One-year no-cost term extension
