

BOARD MEETING DATE: February 1, 2019

AGENDA NO. 23

REPORT: Mobile Source Air Pollution Reduction Review Committee

SYNOPSIS: Below is a summary of key issues addressed at the MSRC's meeting on January 17, 2019. The next meeting is scheduled for Thursday, February 21, 2019, at 2:00 p.m., in Conference Room CC8.

RECOMMENDED ACTION:
Receive and file.

Ben Benoit
SCAQMD Representative to MSRC

MMM:NB:psc

Meeting Minutes Approved

The MSRC unanimously approved the minutes of the August 16 and September 20, 2018 meetings. Those approved minutes are attached for your information (*Attachment 1 & 2*).

Adoption of 2019 Meeting Schedule

The MSRC adopted its 2019 meeting schedule (*Attachment 3*). The MSRC will continue to meet on the third Thursday of every month at 2:00 p.m. Its Technical Advisory Committee will continue to meet on the first Thursday of every month at 1:30 p.m., except for the months of January, July and December which have been moved to the second Thursday because of holiday conflicts. Both meetings are usually conducted in Room CC8.

Joint Retreat Review and Update on the FYs 2018-'21 Work Program Development Process

The MSRC and MSRC-TAC held their joint Retreat on October 23, 2018. Staff provided a review of the outcomes of the Retreat and gave an update on current MSRC-TAC activities in the Work Program Development Process. The MSRC-TAC recommended that the MSRC consider: a) expanding the FYs 2018-20 Work Program to FYs 2018-21 to encompass three years of funding; b) directing the MSRC-TAC to develop a proposed large-scale incentive program concept for which leveraging funds would be sought; and c) directing the MSRC-TAC to consider recommendations on

which previous programs should be continued/reprised as well as potential new programs. The MSRC approved the MSRC-TAC's recommendations and directed MSRC staff and the MSRC-TAC to proceed accordingly, with the goal of presenting some strategic options and a timeline at the next MSRC meeting.

FYs 2014-16 Transportation Control Measure CTC Partnership Program

As part of its FYs 2014-16 Transportation Control Measure CTC Partnership Program, the MSRC awarded San Bernardino County Transportation Authority (SBCTA, formerly San Bernardino Associated Governments) \$1,000,000 to update the San Bernardino Valley Coordinated Traffic Signal System. The MSRC approved an extension in October 2018, but the contract lapsed on November 6, 2018, prior to modification documents being mailed out for signature. The MSRC considered and approved a 14-month replacement contract in the amount of \$1,000,000 as part of the FYs 2014-16 Work Program. This contract award will be considered by the SCAQMD Board at its February 1, 2019 meeting.

FYs 2014-16 Local Government Match Program

As part of its FYs 2014-16 Local Government Match Program, the MSRC awarded the City of Palm Springs \$40,000 to install bicycle racks and conduct bicycle outreach. The City completed a Bicycle Friendly Business District Plan and was working with downtown merchants on implementation. Due to changes requested by the merchants and the death of the City's consultant, the work was not able to be completed within the original time frame. The contract to effectuate the project lapsed on October 3, 2017. In October 2018, the City submitted a request to complete the project. The MSRC considered and approved a 12-month replacement contract in the amount of \$40,000 as part of the FYs 2014-16 Work Program.

FYs 2016-18 Local Government Partnership Program

As part of its FYs 2016-18 Work Program, the MSRC allocated \$21,180,650 for the Local Government Partnership Program and released an Invitation to Negotiate. As part of this program, in September 2018 the MSRC approved awards of \$52,800 and \$85,000 to the Cities of La Puente and San Clemente, respectively. The SCAQMD Board approved these awards at their October 5, 2018 meeting. However, the descriptions for these two awards did not accurately reflect the projects as presented to, and approved by, the MSRC. The MSRC seeks Board approval of the following amended project descriptions, with no change to the award amounts:

- a. A contract with the City of La Puente in an amount not to exceed \$52,800 to procure one heavy-duty near-zero emission vehicle (rather than one heavy-duty zero emission vehicle), one light-duty zero emission vehicle, and install at least one electric vehicle charging station; and
- b. A contract with the City of San Clemente in an amount not to exceed \$85,000 to procure up to four light-duty zero emission vehicles (rather than three light-duty zero emission vehicles) and install at least two electric vehicle charging stations.

At this time, the MSRC requests the SCAQMD Board to approve the contract awards and modifications as part of approval of the FYs 2014-16 and 2016-18 AB 2766 Discretionary Fund Work Programs as outlined above. The MSRC also requests the Board to authorize the SCAQMD Chairman of the Board the authority to execute all agreements described in this letter. The MSRC further requests authority to adjust the funds allocated to each project specified in this Board letter by up to five percent of the project's recommended funding. The Board has granted this authority to the MSRC for all past Work Programs. These contract awards will be considered by the SCAQMD Board at its February 1, 2019 meeting.

Contract Modification Requests

The MSRC considered five contract modification requests and took the following actions:

1. For Waste Resources, Inc., Contract # MS14079, which provides \$100,000 to install a new limited access CNG Station, 7-month term extension;
2. For Rialto Unified School District (RUSD), Contract #MS14076, which provides \$225,000 to install a public access CNG station, term extension to June 25, 2023;
3. For the City of Pomona, Contract #ML16008, which provides \$60,000 to purchase three medium-duty and one heavy-duty CNG vehicles, 18-month term extension;
4. For City of Monterey Park, Contract #ML16013, which provides \$90,000 to purchase three heavy-duty CNG vehicles, 1-year term extension; and
5. For the Los Angeles Department of Water and Power (LADWP), Contract #ML16022, which provides \$360,000 to purchase twelve heavy-duty CNG vehicles, 18-month term extension.

Received and Approved Final Reports

The MSRC received and unanimously approved five final reports this month as follows:

1. Grand Central Recycling & Transfer Station, #MS14082, which provided \$150,000 to construct new public access CNG station.
2. Burrtec Waste & Recycling Services, LLC, MS#16087, which provided \$100,000 to construct new limited-access CNG station.
3. Orange County Transportation Authority, #MS16093, which provided \$1,553,657 to implement a Mobile Ticketing System.
4. Huntington Beach Union High School District, #MS16105, which provided \$175,000 for the expansion of existing CNG infrastructure.
5. Orange County Transportation Authority, #MS18004, which provided \$503,272 to provide Special Rail Service to Angel Stadium.

Contracts Administrator's Report

The MSRC's AB 2766 Contracts Administrator provides a written status report on all open contracts from FY 2004-05 through the present. The Contracts Administrator's Report for September 27, 2018 through January 3, 2019 is attached (*Attachment 4*) for your information.

MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE
THURSDAY, AUGUST 16, 2018 MEETING MINUTES
21865 Copley Drive, Diamond, Bar, CA 91765 - Conference Room CC-8

MEMBERS PRESENT:

(Chair) Larry McCallon, representing SBCTA
(Vice-Chair) Greg Winterbottom, representing OCTA
Brian Berkson (Alt.), representing RCTC
Greg Pettis, representing RCTC
Dolores Roybal Saltarelli (Alt.), representing Regional Rideshare Agency (via v/c)
Mark Yamarone (Alt.), representing Los Angeles County MTA (via v/c)

MEMBERS ABSENT:

Ben Benoit, representing SCAQMD
Jack Kitowski, representing California Air Resources Board
Michele Martinez, representing SCAG
Steve Veres, representing LA County MTA

MSRC-TAC MEMBERS PRESENT:

Nicholas Nairn-Birch, representing California Air Resources Board
Rongsheng Luo, representing SCAG
Kelly Lynn, representing SBCTA
Vicki White, representing SCAQMD

OTHERS PRESENT:

Nadeem Syed, City of San Bernardino
Jason Lewis, SoCalGas
Ric Teano, OCTA

SCAQMD STAFF & CONTRACTORS

Leah Alfaro, MSRC Contracts Assistant
Naveen Berry, Asst. Deputy Executive Officer
Penny Shaw Cedillo, MSRC Administrative Liaison
Megan Lorenz, Principal Deputy District Counsel
Matt MacKenzie, MSRC Contracts Assistant
Fred Minassian, Asst. Deputy Executive Officer
Cynthia Ravenstein, MSRC Contracts Administrator

CALL TO ORDER

- Call to Order

MSRC Chair Larry McCallon called to order at 2:00 p.m.

Roll call was taken at the start of the meeting. The following members and alternates were present: BRIAN BERKSON, LARRY MCCALLON, GREG PETTIS, DOLORES ROYBAL SALTARELLI, GREG WINTERBOTTOM, MARK YAMARONE.

- Opening Comments

Fred Minassian, Asst. Deputy Executive Officer, announced Naveen Berry, who was the Technology Demonstration Manager for the Technology Advancement Office, has been promoted to my current position of Assistant Deputy Executive Officer, as I'll be retiring three months. Our Board has approved that we overlap each other during the coming three months to basically transfer all the responsibilities. Starting next month, Naveen will take my place at this board meeting. MSRC Chair Larry McCallon congratulated Fred on his retirement and welcomed Naveen Berry.

- STATUS REPORT

Copies of the Clean Transportation Policy Update were distributed at the meeting.

CONSENT CALENDAR (Items 1 through 7)

MSRC Vice Chair Greg Winterbottom stated for the record that for Agenda Items #1 and #12, he does not have any financial interest, but is required to identify that he is a Member of the Board of Directors for the Southern California Regional Rail Authority (Metrolink), and for Agenda Items #11 that he is a Member of the Board of Directors for the Orange County Transportation Authority, which are involved in these items.

MSRC Alternate Dolores Roybal Saltarelli stated that she does not have any financial interest in Item #1, but is required to identify that she is employed by Los Angeles County Metropolitan Transportation Authority, which is involved in this item.

MSRC Alternate Mark Yamarone stated that he does not have any financial interest in Item #1, but is required to identify that he is employed by Los Angeles County Metropolitan Transportation Authority, which is involved in this item.

MSRC Member Greg Pettis stated for the record that for Agenda Item #4, he does not have any financial interest, but is required to identify that he is a Regional Councilmember for the

Southern California Association of Governments, and for Agenda Item #13, he recused himself because he was a former employee of California Consulting, which is involved in that item.

MSRC Chair Larry McCallon stated, for the record, that for Agenda Item #1 and #12 he doesn't have a financial interest in these items, but he is required to announce that he is a Board Member of the Southern California Regional Rail Authority, for Agenda Item #4 he is on the Transportation Committee for the South California Association of Governments and also for Agenda Items #6 and #10, he is the Mayor for the City of Highland, which is involved in these items.

Receive and Approve

Agenda Item #1 – Summary of Final Reports by MSRC Contractors

The MSRC received and approved four final report summaries this month, as follows:

1. Fullerton Joint Union High School District, Contract #MS14075, which provided \$300,000 for the Expansion of Existing CNG Infrastructure/Maintenance Facility Modifications;
2. Los Angeles County Metropolitan Transportation Authority (LA Metro), Contract #MS16001, which provided \$1,350,000 to implement the 2015-16 Seasons of Dodgers Stadium Express service;
3. Los Angeles County Metropolitan Transportation Authority (LA Metro), Contract #MS18001, which provided \$807,945 to implement 2017 Season of Dodgers Stadium Express service; and
4. Southern California Regional Rail Authority (Metrolink), Contract #MS18011, which provided \$239,565 for Special Train Service to the Festival of Lights.

ON MOTION BY MSRC MEMBER GREG PETTIS AND SECONDED BY MSRC VICE-CHAIR GREG WINTERBOTTOM, UNDER APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #7, THE MSRC UNANIMOUSLY APPROVED THE FINAL REPORTS LISTED ABOVE.

AYES: MCCALLON, PETTIS, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: MSRC staff will file the final reports and release any retention on the contracts.

Information Only - Receive and File

Agenda Item #2 – MSRC Contracts Administrator's Report

The MSRC AB 2766 Contracts Administrator's Report for May 31 through July 25, 2018 was included in the agenda package.

ON MOTION BY MSRC MEMBER GREG PETTIS AND SECONDED BY MSRC VICE-CHAIR GREG WINTERBOTTOM, UNDER APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #7, THE MSRC UNANIMOUSLY VOTED TO RECEIVE AND FILE THE CONTRACTS ADMINISTRATOR'S REPORT FOR MAY 31 THROUGH JULY 25, 2018 WHICH WAS INCLUDED IN THE AGENDA PACKAGE.

AYES: MCCALLON, PETTIS, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: Staff will include the MSRC Contracts Administrator's Report in the MSRC Committee Report for the September 7, 2018 SCAQMD Board meeting.

Agenda Item #3 – Financial Report on AB 2766 Discretionary Fund

A financial report on the AB 2766 Discretionary Fund for July 2018 was included in the agenda package.

ON MOTION BY MSRC MEMBER GREG PETTIS AND SECONDED BY MSRC VICE-CHAIR GREG WINTERBOTTOM, UNDER APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #7, THE MSRC UNANIMOUSLY VOTED TO RECEIVE AND FILE THE FINANCIAL REPORT FOR THE PERIOD ENDING MAY 2018.

AYES: MCCALLON, PETTIS, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: No further action is required.

For Approval – As Recommended

Agenda Item #4 – Consider Addition of Matching Projects and Six-Month Term Extension by Southern California Association of Governments (SCAG), Contract #MS18002 (\$2,500,000 – Regional Active Transportation Partnership Program)

In order to meet match funding requirements more expeditiously, SCAG requests to add a project by the Los Angeles Department of Transportation and SCAG's own "Go Human Loaner" program to the previously-approved list of projects. SCAG also requests a six-month no-cost contract term extension. The MSRC-TAC unanimously recommends approval.

ON MOTION BY MSRC MEMBER GREG PETTIS AND SECONDED BY MSRC VICE-CHAIR GREG WINTERBOTTOM, UNDER APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #7, MSRC UNANIMOUSLY VOTED TO APPROVE A MODIFIED SCOPE AND A SIX-MONTH TERM EXTENSION FOR SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENT.

AYES: MCCALLON, PETTIS, ROYBAL SALTARELLI, WINTERBOTTOM,
YAMARONE.
NOES: NONE.

ACTION: MSRC Staff will amend the above contract accordingly.

Agenda Item #5 – Consider Nine-Month Term Extension by City of Santa Monica, Contract #MS12060 (Implement Westside Bikeshare Program)

The City requests a nine-month no-cost contract term extension due to the update of their travel demand forecasting model taking longer than anticipated. The MSRC-TAC unanimously recommends approval.

ON MOTION BY MSRC MEMBER GREG PETTIS AND SECONDED BY MSRC VICE-CHAIR GREG WINTERBOTTOM, UNDER APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #7, MSRC UNANIMOUSLY VOTED TO APPROVE A NINE-MONTH TERM EXTENSION FOR THE CITY OF SANTA MONICA.
AYES: MCCALLON, PETTIS, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.
NOES: NONE.

ACTION: MSRC Staff will amend the above contract accordingly.

Agenda Item #6 – Consider Two-Year Term Extension by City of Highland, Contract #ML16071 (Implement Boulder Avenue “Complete Streets” Project)

The City requests a two-year no-cost contract term extension due to the time consuming requirements associated with the project’s federal Projects of National and Regional Significance program co-funding. The MSRC-TAC unanimously recommends approval.

ON MOTION BY MSRC MEMBER GREG PETTIS AND SECONDED BY MSRC VICE-CHAIR GREG WINTERBOTTOM, UNDER APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #7, MSRC UNANIMOUSLY VOTED TO APPROVE A TWO-YEAR TERM EXTENSION FOR THE CITY OF HIGHLAND.
AYES: MCCALLON, PETTIS, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.
NOES: NONE.

ACTION: MSRC Staff will amend the above contract accordingly.

Agenda Item #7 – Consider Contract Replacement by City of South Pasadena, Contract #ML14066 (Bicycle Trail Improvements)

Due to the expiration of the City of South Pasadena's prior contract, the City requests a contract replacement to complete the scope of work for the contract. The MSRC-TAC unanimously recommends approval.

ON MOTION BY MSRC MEMBER GREG PETTIS AND SECONDED BY MSRC VICE-CHAIR GREG WINTERBOTTOM, UNDER APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #7, MSRC UNANIMOUSLY VOTED TO APPROVE A CONTRACT REPLACEMENT FOR THE CITY OF SOUTH PASADENA.

AYES: MCCALLON, PETTIS, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: This item will be considered by the SCAQMD Governing Board at its September 7, 2018 meeting.

ACTION CALENDAR (Items 8 through 13)

Agenda Item #8 – Consider FY 2018-19 Administrative Budget

Fred Minassian, Asst. DEO/Science and Technology Advancement, reported the South Coast Air Quality Management District can be reimbursed for administration costs and in line with AB 2766 and the Moyer Program that is 6.25% of the entire fund. For FYs 2018-19, it's projected that the 6.25% is going to be \$1,012,500, but we are projecting the admin costs will be \$750,000. The remaining \$249,000 will remain unallocated. There's only about \$19,000 cost increase over the prior year due to labor negotiation and adjustments.

MSRC Chair Larry McCallon questioned under the contract administration and program support, who's the Staff Specialist? Mr. Minassian replied Cynthia Ravenstein. Mr. McCallon questioned who are the Contracts Assistants? Mr. Minassian replied Matt MacKenzie and Leah Alfaro. Mr. McCallon questioned who is the Senior Administrative Secretary? Mr. Minassian replied Penny Shaw Cedillo. AQMD provides all the administrative support for the MSRC.

ON MOTION BY MSRC MEMBER GREG PETTIS AND SECONDED BY MSRC VICE-CHAIR GREG WINTERBOTTOM, THE MSRC UNANIMOUSLY VOTED TO APPROVE THE FY 2018-19 ADMINISTRATIVE BUDGET.

AYES: MCCALLON, PETTIS, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: This item will be considered by the SCAQMD Board at its September 7, 2018 meeting.

Agenda Item #9 – Consider Potential Updates to MSRC Website and \$6,000 Contract Value Increase by Geographics, Contract #MS18003 (\$56,953 – Design, Host and Maintain MSRC Website)

Cynthia Ravenstein, MSRC Contracts Administrator, reported the MSRC has its own website and Geographics is the company maintaining it. Part of their contract included some funding that wasn't specifically allocated to any task. We need to make a few modifications. A few meetings ago, MSRC Member Martinez had inquired whether it might be possible to add the Google translate service to the MSRC website; Geographics has informed us they can add that for about \$600. There was some concern if we spend that much, might we be left without enough balance if there's something critical that needs to be dealt with before we can come back to the Committee. The Subcommittee looked at that upgrade, as well as some other potential upgrades such as troubleshooting the test email functions and adding a feature to change the display order of the RFP postings. The MSRC-TAC recommended approval to make these changes and recommended a \$6,000 contract value increase so there would be some balance for other things that were identified that needed immediate attention.

ON MOTION BY MSRC VICE-CHAIR GREG WINTERBOTTOM AND SECONDED BY MSRC MEMBER GREG PETTIS, THE MSRC UNANIMOUSLY VOTED TO APPROVE UPDATES TO THE MSRC WEBSITE AND A \$6,000 VALUE INCREASE TO GEOGRAPHICS' CONTRACT.

AYES: MCCALLON, PETTIS, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: This item will be considered by the SCAQMD Board at its September 7, 2018 meeting.

FYs 2016-18 WORK PROGRAM

Agenda Item #10 – Consider Funding for Applications Received under the Local Government Partnership Program

Cynthia Ravenstein, MSRC Contracts Administrator, reported this is a snapshot of the Local Government Partnership Program status. This opportunity opened September 1, 2017 and the original closing date was March 2nd. But at your February meeting, the MSRC decided to extend the deadline to August 2nd. There were 162 eligible jurisdictions, that's the four counties and all of the cities that receive AB 2766 Funds. There are a few cities that have opted not to participate in that process and generally they're very small. The MSRC allocated \$21,180,650. Basically the amount allocated for each jurisdiction is the amount they get annually in AB 2766 Subvention Funds. The only deviations from that are for the City of Los Angeles, whose allocation is capped at \$3 million, otherwise, it would have been close to \$5 million, and the smaller jurisdictions who receive less than \$50,000 Subvention Funds per year were brought up to an allocation of \$50,000 each.

Now, this Program had an unprecedented level of outreach of any program that I've worked on for the MSRC for the last decade. There were the MSRC staff, SCAQMD's Transportation group and Public Affairs, your outreach coordinator The Better World Group, and MSRC-TAC members all involved in trying to get the word out on this. We did multiple direct electronic mailings and a webcast. We had it on the MSRC website including multiple articles in our electronic newsletter, there were presentations at COG meetings, and telephone calls to City Manager's offices. 121 applications were received. Those represented 109 unique applicants as several of them put in their applications in pieces for different departments. That's a participation rate of 67% of the funding that was reserved. The amount requested is about 72% percent of the funding that you reserved or \$15,640,897. On average, the jurisdictions that were requesting funding asked for 88.5% of their allocation. There has been a Local Government Match Program almost continuously since the late 1990s. There were 31 applicants who had not participated in any Local Match programs before, so this did certainly succeed in bringing in some new project partners. Of the total funding, the first-time first requests were 12% percent.

Public access EV charging stations were the most popular, second most popular were medium- and heavy-duty zero-emission vehicles. In numbers of vehicles, it's a lot less than the light-duty, but because they can be so much more expensive and the MSRC was offering to fund up to \$100,000 per vehicle not to exceed 50%, the funding for this subcategory was higher. For the small cities that were allocated \$50,000 each, participation was about even between Los Angeles, Riverside and San Bernardino counties and not as much in Orange County.

Regarding the application receipt pattern, there's always lots of concern as to why aren't we getting more applications. But we had quite a spike that came in at the last minute before the original deadline and then before the final deadline.

Here are some initial observations on lessons learned, although we're going to still be analyzing and talking about it as part of your next Work Program development process. There was a rush at the deadline to submit the applications. We know that there are still a few that didn't quite make it. The Program did allow for a high level of flexibility in terms of how they put their application together. We found the participants didn't really like that. They would rather have an application template where they fill in the boxes rather than a free form. There was some resistance from City staff to making a presentation to their City Councils. We're not sure those presentations were all that effective, so that might be something to think about next time. Some of the things we heard from people who weren't participating was that the categories didn't fit their needs or wants. There was a sense that they may be could have used more information on other available funding sources to help them make a project work. There was information available on our website, but that probably could have been highlighted more as to how to go about getting other funding for their projects. And one category, First Mile Last Mile, just had no interest at all. We are wondering if perhaps \$50,000 is just not enough to do a meaningful project.

The second-to-last last group of 19 applications is recommended for funding for a total of \$1,476,700. One of these, from the city of San Fernando, was previously not awarded funding because they were only asking for money for signal cabinets not for the synchronization itself. They were informed that just installing signal cabinets did not achieve emission reductions, and they did modify their application to include the signal synchronization. So now that is recommended for funding.

ON MOTION BY MSRC VICE-CHAIR GREG WINTERBOTTOM AND SECONDED BY MSRC MEMBER GREG PETTIS, THE MSRC UNANIMOUSLY VOTED TO APPROVE AWARDS TO THE CITIES OF SAN FERNARDO, SOUTH EL MONTE, ORANGE, LOS ANGELES, MURRIETA, BIG BEAR LAKE, GLENDORA, SANTA CLARITA, TEMECULA, SOUTH PASADENA, MONTEREY PARK, LAGUNA WOODS, GARDENA, HIGHLAND, TEMPLE CITY, REDONDO BEACH, LAGUNA HILLS, BREA AND BURBANK FOR A TOTAL OF \$1,476,700.

AYES: MCCALLON, PETTIS, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: This item will be considered by the SCAQMD Board at its September 7, 2018 meeting.

Agenda Item #11 – Consider Work Plan Received under the CTC Partnership Program

Ray Gorski, MSRC Technical Advisor, reported this is under the 2016-18 County Transportation Commission (CTC) Partnership Program. The MSRC allocated a total of \$8 million, \$2 million for each CTC to implement projects that improve air quality as well as enhance mobility. To date, you have received applications from three of the CTCs, and this is the fourth request for funding. This is from OCTA and they're requesting consideration to apply their \$2 million allocation toward three specific projects: (1) a micro transit project called OC Flex, which will be implemented in the Laguna Niguel area, as well as Mission Viejo and Aliso Viejo; the specific amount of funding requested of the \$2M is \$1,146,000. They will be providing co-funding through their fare revenue in the amount \$135,000; (2) the installation of hydrogen detection system. OCTA has been demonstrating hydrogen fuel cell buses. They need to have facilities which are capable of maintaining the vehicles. Gaseous fuel vehicles need special accommodations for indoor maintenance because of the volatile nature of the fuel. They are requesting the use of their funding in the amount of \$642,000 to install a hydrogen detection system; and (3) implementation of a college transit fare subsidy program. College pass programs are implemented in many areas throughout the South Coast region. This would fund the initial part of that program, to allow the students to try this, with the expectation that it will be successful and that a future program would be funded by the students themselves through a referendum that would be held at the college. They're seeking \$212,000 to implement the College Transit Pass Program.

ON MOTION BY MSRC VICE-CHAIR GREG WINTERBOTTOM AND SECONDED BY MSRC MEMBER GREG PETTIS, THE MSRC UNANIMOUSLY VOTED TO APPROVE AN AWARD TO ORANGE COUNTY TRANSPORTATION AUTHORITY FOR \$2 MILLION.

AYES: MCCALLON, PETTIS, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: This item will be considered by the SCAQMD Board at its September 7, 2018 meeting.

Agenda Item #12 – Consider Applications Received under the Major Event Center Transportation Program

Ray Gorski, MSRC Technical Advisor, reported there are two applications which have been received. I'd like to take them separately because the MSRC-TAC's recommendations are different for each. The first is a request by the Southern California Regional Rail Authority (SCRRA) to fund special train service in support of the 2018 Festival of Lights, which is held in downtown Riverside. This program would operate three specific lines: Los Angeles to Riverside, Laguna Niguel to Riverside and Perris to Riverside. It offers service for Friday and Saturday nights, which are typically the peak periods for attendance at the Festival of Lights.

As you recall the MSRC funded this program in 2017. The Final Report for that program was received and it went through a staff analysis. Based upon the results of the 2017 program, the staff engaged both SCRRA as well as RCTC, first of all to identify the lessons learned from the prior service, and importantly to identify where MSRC investments could be made that would result in or maximize the air quality benefits which are attributable to this program. As a result of that discussion, there were changes made to the program for 2018, specifically to ensure that the MSRC investment would result in the air quality benefits that should result from the investment of air quality funds. These specific modifications to the original proposal were to align MSRC funding with those train trips which are expected to have the highest ridership.

We can ensure that it will in fact yield a positive air quality benefit. We also had a discussion to realign the service for the return trains. It was determined that in 2017 they had trains for the departure times were simply too close to each other and people would all hop on the first train and then no one would ride on the second train. We asked that they reconfigure that. The result is a reduction in the total amount of funding which is being requested. The current request is \$252,900. This is in keeping with your past award for the 2017 service. Every effort has been made to work directly with SCRRA and RCTC to ensure that the MSRC funding is utilized for those elements of the service which will yield the highest quality benefits.

ON MOTION BY MSRC MEMBER DOLORES ROYBAL SALTARELLI AND
SECONDED BY MEMBER MARK YARAMONE, THE MSRC
UNANIMOUSLY VOTED TO APPROVE A \$252,696 AWARD TO
SOUTHERN CALIFORNIA REGIONAL RAIL AUTHORITY (METROLINK)
FOR THE FESTIVAL OF LIGHTS SERVICE.
AYES: MCCALLON, PETTIS, ROYBAL SALTARELLI, WINTERBOTTOM,
YAMARONE.
NOES: NONE.

For the next request, the recommendation from your MSRC-TAC is to not fund the project. This is for transit service at the Rose Bowl in support of major events which are planned for the 2018-2019 season. The original funding request was \$788,082. This one probably could use some additional explanation. This project was submitted in a prior year also and at that time the MSRC did not provide funding. This would provide transportation services in addition to the regular services that they provide, for events such as the UCLA Bruin football games at the Rose Bowl. This would be for additional events such as the Arroyo Seco Music Festival, soccer matches

which are planned throughout the year, some anticipated concerts as well as one additional football game. The issues which were confronted both in the prior application are certainly in the one that's before you today. It's very clear that the Rose Bowl suffers from a parking issue and this service has been designed to alleviate the parking issues associated with these events. The issues that were confronted by your Technical Committees were that it's not being implemented in a way which would be necessarily beneficial towards air quality. This means that they have service which is very convenient in that they have a lot of buses running, but from analysis of the data which they were able to provide it appears that many of these buses are simply not near capacity.

Therefore, also factoring in the bus deadhead miles, it's very difficult to make a determination as to whether or not the passenger vehicle emission reductions would in fact be offsetting the emissions generated from those buses. For the service which has been proposed, they would not be using state-of-the-art buses, per se. They are natural gas, but they're 2010 vintage. We asked if it was feasible for them to use some of the new near-zero buses or some of the zero emission buses which are in the Foothill fleet and unfortunately at this time, they cannot make that guarantee. They are suggesting they will have cleaner fuel buses in a future year but for this application the buses would be 2010 vintage buses or at least certified to 2010 emission standard. There were also concerns expressed relative to the number of trips which are being eliminated. They are deploying these buses at parking lots, and the parking lots themselves are rather restricted as to the number of cars that could be there. In looking at how many cars could show up, and what the average vehicle occupancy would be, you can predict what the ridership is going to be. Looking at the data that they were able to provide we had difficulty quantifying a positive air quality benefit. This means that the number of people on the buses who were actually displacing a motor vehicle trip, probably would not offset the number of emissions that the bus would generate. Staff actually sat down across the table with representatives from the Rose Bowl; we had very cordial meetings. We felt that they were very productive. We had the General Manager of the Rose Bowl come in and sit down with us. We tried to walk through what some of the issues were, but more importantly, we communicated that the TAC and the Subcommittee had specific recommendations to improve the service to make it more of an air quality project as opposed to simply a project to mitigate a parking problem.

They received the recommendations, went back and submitted a revised or clarified proposal. The clarified proposal, however did not have any substantive changes from their original proposal. The only thing it did was reduce the request from a two-year request to a one-year request. There are no modifications in the method in which that transit would be deployed and there's a reason for that. It turns out that the service which they're proposing to utilize is for all intents and purposes contractually set in stone, meaning that they do not have the ability to make any modifications. So the proposal we have is what they are going to do. It also became apparent that the funding to implement that special transit service is already in place. The MSRC monies would be offsetting monies that they already have available to them. The rationale for the recommendation not to fund this project is the following: (1) in its current design, we feel that it would not guarantee the MSRC the ability to achieve a net air quality improvement; (2) we realize that they are unable to make any modifications to their service at this time because it's already in place; and (3) while they would of course, appreciate a contribution from the MSRC, the project is in fact fully funded and is going to take place irrespective of MSRC involvement.

The MSRC staff does have a good working relationship with the Rose Bowl. In the event they are able to acquire cleaner, more advanced technology near-zero buses, and then if they're potentially able to have closer coordination with other transit services including that operated by Metro, then there might be an opportunity for the Rose Bowl to come forth and participate in a potential future MSRC program.

ON MOTION BY MSRC VICE-CHAIR GREG WINTERBOTTOM AND
SECONDED BY MSRC CHAIR LARRY MCCALLON, THE MSRC
UNANIMOUSLY VOTED NOT TO AWARD FUNDING TO THE ROSE
BOWL AND FOOTHILL TRANSIT FOR SPECIAL SHUTTLE SERVICE.
AYES: MCCALLON, PETTIS, ROYBAL SALTARELLI, WINTERBOTTOM,
YAMARONE.
NOES: NONE

ACTION: This item will be considered by the SCAQMD Board at its September 7, 2018 meeting.

[At this time, MSRC Member Greg Pettis left the meeting at 2:45 p.m. to allow MSRC Alternate Brian Berkson to comment as the representative for Riverside County Transportation Commission on this item.]

Agenda Item #13 – Consider Applications Received under the Natural Gas Infrastructure Program

Cynthia Ravenstein, MSRC Contracts Administrator, reported there were 20 additional applications received, requesting a total of \$3,926,680, since you last considered an application under the Natural Gas Infrastructure Program. Now, all of these applications have been reviewed and they meet the program requirements. There's \$2,843,500 remaining of the original \$4 million that was allocated. On superpage 105, Table One is the recommended awards going up to that remaining balance of what you had originally allocated. There's actually one project, LBA Realty, that's moved up ahead in the queue to meet the geographic minimum for San Bernardino County. That's why #25 comes before #24. The City of Redondo Beach application is right on the line, this would give them about half of the money that they were requesting. The TAC is further recommending that the MSRC allocate an additional \$1,083,180 to the Natural Gas Infrastructure Program to fund all the projects on the backup list. That's the remainder of Redondo Beach's request, as well as five other applications. There were quite a few who are proposing to use renewable natural gas and are thereby entitled to an additional \$100,000.

PUBLIC COMMENT: Jason Lewis, SoCalGas, commented last time I was here advocating for the continuation of the program. I am pleased my industry peers rose to the occasion. I'd also like to point out, SoCalGas is also building stations while we did not request funding for our Fontana station. It is open today. If you know any fleets who want some free natural gas, we've just been approved opening by San Bernardino County Weights and Measures and we're offering to get some heavy-duty fleets to come and test it out for us. I would also like to encourage any future consideration of a natural gas program with the 11.9 liter engine now reaching full production. Cummins Westport and SoCalGas are very happy to be supporting the industry and we would

hope that the industry's building stations will continue the nascent heavy-duty natural gas industry.

ON MOTION BY MSRC ALTERNATE BRIAN BERKSON AND SECONDED BY MSRC VICE-CHAIR GREG WINTERBOTTOM, THE MSRC UNANIMOUSLY VOTED TO APPROVE 15 AWARDS TOTALING \$2,843,500 AS DESCRIBED IN THE ATTACHED STAFF REPORT. THE MSRC-TAC FURTHER RECOMMENDS \$1,083,180 BE ALLOCATED TO THE NATURAL GAS INFRASTRUCTURE PROGRAM AND THAT THE SEVEN APPLICATIONS ON THE BACKUP LIST APPROVED.

AYES: BERKSON, MCCALLON, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE. GREG PETTIS ABSTAINED

NOES: NONE.

ACTION: This item will be considered by the SCAQMD Board at its September 7, 2018 meeting.

Agenda Item #14 – Other Business

Ray Gorski, MSRC Technical Advisor, commented we are looking to have the MSRC and your TAC have a joint Retreat. The current date is October 23rd. It will be approximately 1/2 day, probably starting around 10 a.m., having a luncheon and then having it adjourn no later than 2:00 - 2:30. We're thinking that it will be held here at the South Coast Air Quality Management District. It's going to be highly focused. We will come in, get to business and have you out the door before the traffic. If there's anything specific you'd like your staff or your TAC to address, by all means, let us know and we will ensure that that's on the agenda.

PUBLIC COMMENT PERIOD

Public comments were allowed during the discussion of each agenda item. No comments were made on non-agenda items.

ADJOURNMENT

There being no further business, the MSRC meeting adjourned at 2:53 p.m.

NEXTMEETING

Thursday, September 20, 2018 at 2:00 p.m., Room CC8.

MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE
THURSDAY, SEPTEMBER 20, 2018 MEETING MINUTES
21865 Copley Drive, Diamond, Bar, CA 91765 - Conference Room CC-8

MEMBERS PRESENT:

(Vice-Chair) Greg Winterbottom, representing OCTA
Jack Kitowski, representing California Air Resources Board
Michele Martinez, representing SCAG
Dolores Roybal Saltarelli (Alt.), representing Regional Rideshare Agency (via v/c)
Brian Berkson (Alt.), representing RCTC
Mark Yamarone (Alt.), representing Los Angeles County MTA (via v/c)

MEMBERS ABSENT:

Ben Benoit, representing SCAQMD
(Chair) Larry McCallon, representing SBCTA
Greg Pettis, representing RCTC
Steve Veres, representing Los Angeles County MTA

MSRC-TAC MEMBERS PRESENT:

Rongsheng Luo, representing SCAG
Kelly Lynn, representing SBCTA
Vicki White, representing SCAQMD

OTHERS PRESENT:

Lauren Dunlap, SoCalGas
Ric Teano, OCTA

SCAQMD STAFF & CONTRACTORS

Leah Alfaro, MSRC Contracts Assistant
Naveen Berry, Asst. Deputy Executive Officer
Jennifer de la Loza, Secretary
Ray Gorski, MSRC Technical Advisor-Contractor
John Kampa, Financial Analyst
Megan Lorenz, Principal Deputy District Counsel
Matt Mackenzie, MSRC Contracts Assistant
Cynthia Ravenstein, MSRC Contracts Administrator
Paul Wright, Information Technology Specialist

CALL TO ORDER

- Call to Order

MSRC Vice-Chair Greg Winterbottom called the meeting to order at 2:08 p.m.

Roll call was taken at the start of the meeting. The following members and alternates were present: BRIAN BERKSON, JACK KITOWSKI, DOLORES ROYBAL SALTARELLI, GREG WINTERBOTTOM, MARK YAMARONE.

- Opening Comments

Staff has requested to pull item #8, the requestor has withdrawn the request for funding.

[MSRC Member Michele Martinez arrived at 2:12 p.m.]

- STATUS REPORT

Copies of the Clean Transportation Policy Update were distributed at the meeting.

Cynthia Ravenstein, MSRC Contracts Administrator, reported the California Air Resources Board has published their annual evaluation of fuel cell electric vehicle deployment and hydrogen fuel station development. There have been new goals set for the amount of fuel cell vehicles and the network of hydrogen stations that are very ambitious with a relatively short time to achieve those goals. So it's going to require a significant change in the pace of the development of the stations going forward and there are some good indicators that stations have been getting developed more rapidly than they have been previously. Hopefully we're moving in that direction, but it looks like there's still a need to get them moving forward even more quickly and to complete the transition from demonstration stations to full retail stations. Also, there's funding available for EV fast charging. The Southern California incentive project has \$29 million available to increase deployment of these stations throughout Los Angeles, Orange, Riverside and San Bernardino counties. With some of the projects that the MSRC has approved, and will perhaps be approving today, under the Local Partnership program, some of the cities may be looking for this as some of their co-funding for those who proposed to do fast chargers.

MSRC Vice-Chair Greg Winterbottom stated at OCTA Legislative Committee today, it appears there is some legislation regarding fuel cell buses. MSRC Member Jack Kitowski responded there is some legislation for heavy-duty vehicles, as well as a lot of industry is waiting for alternative fuel vehicles that meet a zero-emission or near zero emission standard. CARB is going to their board next week on a long awaited transit regulation that will transition the California transit bus fleet to zero emission by 2040. We've worked pretty closely with the California Transit Association and the governmental groups. It has required phases starting in 2023; it has an appropriate balance of pushing the technology with appropriate safeguards in there if the technology advancements don't progress.

MSRC Alternate Brian Berkson stated for the record that for Agenda Item #7, he does not have any financial interest, but is required to identify that he is a Commissioner for the Riverside County Transportation Commission, which is involved in this item.

CONSENT CALENDAR (Items 1 through 7)

Receive and Approve

Agenda Item #1 – Minutes for the June 21, 2018 MSRC Meeting

The minutes of the June 21, 2018 MSRC meeting were distributed at the meeting.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ, AND SECONDED BY MSRC ALTERNATE BRIAN BERKSON, UNDER APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #7, THE MSRC UNANIMOUSLY APPROVED THE JUNE 21, 2018 MSRC MEETING MINUTES.

AYES: BERKSON, KITOWSKI, MARTINEZ, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: Staff will include the June 21, 2018 MSRC meeting minutes in the MSRC Committee Report for the October 5, 2018 SCAQMD Board meeting, and will place a copy on the MSRC's website.

Agenda Item #2 – Summary of Final Report by MSRC Contractors

The MSRC received and approved one final report summary this month, as follows:

- Nasa Services, Inc., Contract #MS16102, which provided \$100,000 to construct a Limited-Access CNG Fueling Station

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ, AND SECONDED BY MSRC ALTERNATE BRIAN BERKSON, UNDER APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #7, THE MSRC UNANIMOUSLY APPROVED THE FINAL REPORT LISTED ABOVE.

AYES: BERKSON, KITOWSKI, MARTINEZ, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: MSRC staff will file the final report and release any retention on the contract.

Information Only - Receive and File

Agenda Item #3 – MSRC Contracts Administrator’s Report

The MSRC AB 2766 Contracts Administrator’s Report for July 26 through August 29, 2018 was included in the agenda package.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ, AND
SECONDED BY MSRC ALTERNATE BRIAN BERKSON, UNDER
APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #7, THE
MSRC UNANIMOUSLY VOTED TO RECEIVE AND FILE THE
CONTRACTS ADMINISTRATOR’S REPORT FOR JULY 26 THROUGH
AUGUST 29, 2018.

AYES: BERKSON, KITOWSKI, MARTINEZ, ROYBAL SALTARELLI,
WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: Staff will include the MSRC Contracts Administrator’s Report in the MSRC Committee Report for the October 5, 2018 SCAQMD Board meeting.

Agenda Item #4 – Financial Report on AB 2766 Discretionary Fund

A financial report on the AB 2766 Discretionary Fund for August 2018 was included in the agenda package.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ, AND
SECONDED BY MSRC ALTERNATE BRIAN BERKSON, UNDER
APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #7, THE
MSRC UNANIMOUSLY VOTED TO RECEIVE AND FILE THE FINANCIAL
REPORT FOR THE PERIOD ENDING AUGUST 2018.

AYES: BERKSON, KITOWSKI, MARTINEZ, ROYBAL SALTARELLI,
WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: No further action is required.

For Approval – As Recommended

Agenda Item #5 – Consider Contract Term Extension to September 30, 2020 by Riverside County Regional Park and Open Space District, Contract #ML14021 (\$250,000 – Bicycle Trail Improvements)

The Riverside County Regional Park and Open Space District requests a no-cost term extension due to delays associated with significant staff turnover. The MSRC-TAC unanimously recommends approval.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ, AND SECONDED BY MSRC ALTERNATE BRIAN BERKSON, MSRC UNANIMOUSLY VOTED TO APPROVE THE NO-COST TERM EXTENSION FOR RIVERSIDE COUNTY REGIONAL PARK AND OPEN SPACE DISTRICT, CONTRACT #ML14021.

AYES: BERKSON, KITOWSKI, MARTINEZ, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE

ACTION: MSRC Staff will amend the above contract accordingly.

Agenda Item #6 – Consider Contract Term Extension to October 31, 2023 by City of San Fernando, Contract #ML14062 (\$387,091 – Expand Existing CNG Station)

The City of San Fernando requests a no-cost term extension due to delays associated with federal co-funding and an extensive procurement process. The MSRC-TAC unanimously recommends approval.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ, AND SECONDED BY MSRC ALTERNATE BRIAN BERKSON, MSRC UNANIMOUSLY VOTED TO APPROVE THE NO-COST TERM EXTENSION FOR THE CITY OF SAN FERNANDO, CONTRACT #ML14062.

AYES: BERKSON, KITOWSKI, MARTINEZ, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE

ACTION: MSRC Staff will amend the above contract accordingly.

Agenda Item #7 – Consider Contract Replacement for Riverside County Transportation Commission (RCTC), Contract #MS16082 (Extended Freeway Service Patrol Service)

Due to expiration of RCTC's prior contract, staff requests a contract replacement to complete the scope of work for the contract. The MSRC-TAC unanimously recommends approval.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ, AND SECONDED BY MSRC ALTERNATE BRIAN BERKSON, MSRC UNANIMOUSLY VOTED TO APPROVE THE REPLACEMENT CONTRACT FOR RIVERSIDE COUNTY TRANSPORTATION COMMISSION (RCTC), CONTRACT #MS16082.

AYES: BERKSON, KITOWSKI, MARTINEZ, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE

ACTION: This item will be considered by the SCAQMD Board at its October 5, 2018 meeting.

ACTION CALENDAR (Items 8 through 10)
FYs 2016-18 WORK PROGRAM

Agenda Item #8 – Consider Nine-Month Extension of Negotiations with VNG Lakeview, Contract #MS16111 (proposed) (Construct CNG Station)

This item was withdrawn by VNG Lakeview.

Agenda Item #9 – Consider Funding for Applications Received under the Local Government Partnership Program

Cynthia Ravenstein, MSRC Contracts Administrator, clarified that on the cover agenda, the dollar amount that's recommended for funding is incorrect, it's actually \$5,100,575 as stated in the staff report. There are 47 applications that are being brought forward but that translates to 48 awards because the County of San Bernardino has clarified that they would like their award to be split into two, one to the county and the other to San Bernardino County Flood Control District. Not included here are the City of San Bernardino--we're asking them to clarify their application--and the City of Coachella. There was a numbering mix-up with those applications; they will be coming next month. For San Bernardino and Coachella, \$337,000 would need to be reserved out of the balance for the future consideration. The MSRC-TAC is recommending approval of 48 awards, totaling \$5,100,575.

MSRC Alternate Brian Berkson questioned do we request or require any photographs of the finished products? Might be useful to put them on the website. Ms. Ravenstein replied we do ask them to submit photographs. If anybody's interested in getting pictures of those projects we can provide them.

MSRC Member Jack Kitowski stated this got off to kind of a slow start, what flipped and are there lessons that we learn from this and how does that feed into what we end up doing when we need to program next year's funds. Ray Gorski, MSRC Technical Advisor, replied last month we had a presentation that went through the initial results of the Local Government Partnership Program and we tried to illustrate not only who did what or who's requesting what but also looking at some of the lessons learned that staff has gleaned from numerous conversations and feedback that we received from the various program participants and there are a lot of lessons learned.

MSRC Member Michele Martinez stated we're doing a lot of EV charging stations, which is great, and public access. I'd like commend the cities for doing that because most of the time I've seen it's just been for government. I'm glad that they're providing public access. On the active transportation side, we're making progress and whether they're doing bike racks or doing a Bike Share Program, it would be beneficial to those cities. What I realize as I talk to my colleagues, sometimes they don't have an understanding of what those matching funds are and they're always looking for money to do small projects like this. They purchased bike racks or do some kind of bike program and they're always told we're not going to use our general fund money. Then they are limited and then they're going out to go and get bigger grants, whether it's through the state level or the federal. Sometimes they can't compete for those funds because they're too small of a

jurisdiction. How do we leverage these kinds of funds? Maybe portrayed a little differently. Whether it's our policy update or our website, doing it in layman terms like a third grader, here are some benefits of this funding. Ms. Ravenstein replied you brought up another point that we raised last month, I think that there could have been more information for them about sources that they could use for the co-funding. We have updated the information on our website.

Mr. Berkson added for the next go-around can we possibly do some things that will make it easier for councils and the upper staff at City Hall. I report on all my meetings, if all of the councilmembers could do that. Every time I reported on this meeting, it was like a blank stare from our city manager and assistant city manager. It was like they didn't know about the funds. What's happening is whoever is getting contacted at the City Halls, it's not at a level high enough for anything to get done because we do our budgets or CIP plans way in advance of when these kinds of things roll in. You've got to start at the top and work your way down in these types of scenarios. I believe if you provided a little handout that showed, you can use this money for charging stations, and show picture of the charging station or a picture of the bike rack or whatever. Mr. Gorski replied we need to do a pre-solicitation effort, like an Outreach Program before the actual solicitation hits the ground, to get everyone aware.

ON MOTION BY MSRC MICHELE MARTINEZ AND SECONDED BY MSRC ALTERNATE BRIAN BERKSON, THE MSRC UNANIMOUSLY VOTED TO APPROVE AWARDS TO 48 CITIES TOTALING \$5,100,575, AS DESCRIBED IN THE STAFF REPORT.

AYES: BERKSON, KITOWSKI, MARTINEZ, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE

ACTION: This item will be considered by the SCAQMD Board at its October 5, 2018 meeting.

Agenda Item #10 – Consider Funding for Application Received under the Hydrogen Infrastructure Partnership Program

Ray Gorski, MSRC Technical Advisor, reported this item is submitted for your consideration by the Infrastructure Subcommittee. This is the first application we've received under your Hydrogen Infrastructure Partnership Program. The MSRC set aside \$3 million to partner with other agencies to implement hydrogen refueling within the South Coast jurisdiction and the intent of this program was a little bit different compared to past programs. This program was looking to work with the regulatory agency partners, local and statewide, to help identify programs and then pool our resources to fund hydrogen infrastructure, which tends to be rather expensive. The primary participants in this partnership program include the California Energy Commission, the South Coast Air Quality Management District and the California Air Resources Board. The agreement was that we'd all more or less work together and the MSRC would set aside funding to help implement projects if they were brought to your attention from one of your sister agencies.

The first application is submitted by the South Coast Air Quality Management District on behalf of the University of California, Irvine seeking a \$1 million investment to upgrade their hydrogen refueling infrastructure. It's currently a station which can dispense on the order of 180 kilograms

per day of gaseous hydrogen. This is going to increase its capacity to approximately 800 kilograms of liquid hydrogen. The Subcommittee believes UC Irvine is a good location because of some of the earliest deployments of hydrogen light-duty vehicles are within the Orange County area. From a demographic perspective, we believe that this is a good location. This is going to be designed to help service medium- and heavy-duty vehicles. It's going to be both an attractive location for light-duty vehicles, which are owned by consumers as well as shuttle vehicles, which are operated by the university system and also serve as a backup to OCTA for their growing fleet of hydrogen fuel cell buses. This went through a process in which it had multiple evaluations. The MSRC-TAC Infrastructure Subcommittee did their evaluation of this project but they also relied heavily upon the input from the South Coast AQMD and the other participants including California Energy Commission. The beauty of this program is that we have experts in hydrogen infrastructure telling us, yes, we've gone through an extensive evaluation, we believe that this project warrants funding and we'd like to partner with you to pool enough funds to make this project actually viable. In this case, the amount of funding necessary to do this substantial upgrade to the station is approximately \$1.8 million. The MSRC is asked to put in \$1 million out of the Hydrogen Infrastructure Fund and this will be matched by \$400,000 from the South Coast Air Quality Management District, as well as \$400,000 from the California Energy Commission. In fact, they're going to their business meeting tomorrow to secure that \$400,000. The program is actually working exactly as it was intended to. We have the MSRC as a partner along with the CEC, CARB, and the SCAQMD to identify projects which need a little extra money to be implemented. Multiple partners are contributing financial resources to make it viable and the MSRC in this case will be entering into a contract with the University of California, Irvine to effectuate the contract.

ON MOTION BY MSRC ALTERNATE BRIAN BERKSON AND SECONDED BY MSRC MEMBER JACK KITOWSKI, THE MSRC UNANIMOUSLY VOTED TO APPROVE AN AWARD TO THE UNIVERSITY OF CALIFORNIA, IRVINE FOR \$1,000,000.

AYES: BERKSON, KITOWSKI, MARTINEZ, ROYBAL SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: This item will be considered by the SCAQMD Board at its October 5, 2018 meeting.

Agenda Item #11 – Other BusinessNo other business was introduced.

PUBLIC COMMENT PERIOD

Public comments were allowed during the discussion of each agenda item. No comments were made on non-agenda items.

ADJOURNMENT

There being no further business, the MSRC meeting adjourned at 2:26 p.m.

Meeting agendas can be viewed on the MSRC's website at <http://www.cleantransportationfunding.org>.

MSRC Agenda Item No. 4

DATE: January 17, 2019

FROM: Cynthia Ravenstein

SUBJECT: AB 2766 Contracts Administrator's Report

SYNOPSIS: This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from September 27, 2018 to January 3, 2019.

RECOMMENDATION: Receive and file report

WORK PROGRAM IMPACT: None

Contract Execution Status

2016-18 Work Program

On July 8, 2016, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On October 7, 2016, the SCAQMD Governing Board approved three awards under the Event Center Transportation Program and one award for a Regional Active Transportation Partnership Program. These contracts are executed.

On January 6, 2017, the SCAQMD Governing Board approved an award for development, hosting and maintenance of a new MSRC website. This contract is executed.

On April 7, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On June 2, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On July 7, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On September 1, 2017, the SCAQMD Governing Board approved one award under the Event Center Transportation Program and one award under the Natural Gas Infrastructure Program. These contracts are executed.

On October 6, 2017, the SCAQMD Governing Board approved two awards under the Event Center Transportation Program and one award under the Natural Gas Infrastructure Program. These contracts are executed.

On December 1, 2017, the SCAQMD Governing Board approved sole source awards for a Hydrogen Infrastructure Partnership Program, for a Southern California Future Communities Partnership Program, and for electric vehicle charging infrastructure planning analysis. These contracts are executed. The MSRC has replaced the award to the California Energy Commission with a Program Opportunity Notice for the Hydrogen Infrastructure Partnership Program.

On February 2, 2018, the SCAQMD Governing Board approved one award under the Event Center Transportation Program, two awards under the Natural Gas Infrastructure Program, four awards under the Local Government Partnership Program, and two awards under the County Transportation Commission Partnership Program. These contracts are with the prospective contractor for signature or executed.

On March 2, 2018, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program, two awards under the Natural Gas Infrastructure Program, and one award under the Local Government Partnership Program. These contracts are executed.

On April 6, 2018, the SCAQMD Governing Board approved one award under the Natural Gas Infrastructure Program and eight awards under the Local Government Partnership Program. These contracts are with the prospective contractor for signature or executed.

On May 4, 2018, the SCAQMD Governing Board approved twenty-seven awards under the Local Government Partnership Program and one award under the County Transportation Commission Partnership Program. These contracts are undergoing internal review, with the prospective contractor for signature, with the SCAQMD Board Chair for signature, or executed.

On June 1, 2018, the SCAQMD Governing Board approved six awards under the Local Government Partnership Program, one award under the Natural Gas Infrastructure Program, and one award under the County Transportation Commission Partnership Program. These contracts are with the prospective contractor for signature, with the SCAQMD Board Chair for signature, or executed.

On July 6, 2018, the SCAQMD Governing Board approved nine awards under the Local Government Partnership Program. These contracts are with the prospective contractor for signature, with the SCAQMD Board Chair for signature, or executed.

On September 7, 2018, the SCAQMD Governing Board approved nineteen awards under the Local Government Partnership Program, three awards under the County Transportation Commission Partnership Program, one award under the Major Event Center Transportation Program, and twenty awards under the Natural Gas Infrastructure Program. These contracts are under development, undergoing internal review, with the prospective contractor for signature, with the SCAQMD Board Chair for signature, or executed.

On October 5, 2018, the SCAQMD Governing Board approved forty-eight awards under the Local Government Partnership Program and one award under the Hydrogen Infrastructure

Program. These contracts are under development, undergoing internal review, with the prospective contractor for signature, or with the SCAQMD Board Chair for signature.

2014-16 Work Program

On December 5, 2014, the SCAQMD Governing Board approved an award under the AB118 Enhanced Fleet Maintenance Program. This contract is executed.

On June 5, 2015, the SCAQMD Governing Board approved two awards under the Event Center Transportation Program and one award to provide low-emission transportation services to the Special Olympics World Games. These contracts are executed.

On September 4, 2015, the SCAQMD Governing Board approved 25 awards under the Local Government Match Program and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On October 2, 2015, the SCAQMD Governing Board approved 11 awards under the Local Government Match Program and one award under the Alternative Fuel Infrastructure Program. These contracts are executed.

On November 6, 2015, the SCAQMD Governing Board approved 37 awards under the Local Government Match Program. These contracts are executed.

On December 4, 2015, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program, one award under the Alternative Fuel Infrastructure Program, and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On January 8, 2016, the SCAQMD Governing Board approved two awards under the Major Event Center Transportation Program, one award under the Local Government Match Program, and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On March 4, 2016, the SCAQMD Governing Board approved two awards under the Alternative Fuel Infrastructure Program. These contracts are executed.

On April 1, 2016, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program and five awards under the Transportation Control Measure Partnership Program. These contracts are executed.

On May 6, 2016, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On June 3, 2016, the SCAQMD Governing Board approved one award under the Alternative Fuel Infrastructure Program. This contract is executed.

On October 7, 2016, the SCAQMD Governing Board approved ten awards under the Alternative Fuel Infrastructure Program and five awards under the Near-Zero Natural Gas Engine Incentives

Program. These contracts are with the prospective contractor for signature, with the SCAQMD Board Chair for signature, or executed.

On January 6, 2017, the SCAQMD Governing Board approved an award under the Alternative Fuel Infrastructure Program and an award under the Near-Zero Natural Gas Engine Incentives Program. These contracts are executed.

Work Program Status

Contract Status Reports for work program years with open and/or pending contracts are attached.

FY 2004-05 Work Program Contracts

One contract from this work program year is open.

FY 2004-05 Invoices Paid

No invoices were paid during this period.

FY 2007-08 Work Program Contracts

3 contracts from this work program year are open; and 2 are in “Open/Complete” status.

FY 2007-08 Invoices Paid

No invoices were paid during this period.

FY 2008-09 Work Program Contracts

One contract from this work program year is open; and 3 are in “Open/Complete” status. One contract closed during this period: City of Covina, Contract #ML09043 – Upgrade Existing CNG Station.

FY 2008-09 Invoices Paid

One invoice in the amount of \$450,000.00 was paid during this period.

FY 2010-11 Work Program Contracts

3 contracts from this work program year are open; and 26 are in “Open/Complete” status. 5 contracts closed during this period: City of Redlands, Contract #ML11026 – Purchase 3 Heavy-Duty Natural Gas Vehicles; Torrance Unified School District, Contract #MS11066 – Expand Existing CNG Station; Ryder System, Contract #MS11068 – Install Public Access L/CNG Station (Fontana); Ryder System, Contract #MS11069 - Install Public Access L/CNG Station (Orange); and City of Los Angeles, Department of General Services, Contract #MS11034 – Purchase 21 Heavy-duty CNG vehicles. One contract moved into “Open/Complete” status during this period: City of Gardena, Contract #ML11032 – Purchase Heavy-Duty CNG Vehicle, Install CNG Station and Upgrade Maintenance Facility.

FY 2010-11 Invoices Paid

Two invoices totaling \$111,250.00 were paid during this period.

FY 2011-12 Work Program Contracts

8 contracts from this work program year are open, and 30 are in “Open/Complete” status. 6 contracts closed during this period: City of Coachella, Contract #MS12077 – Install New CNG Station; Airport Mobil, Contract #MS12084 – Install New CNG Station; Community Action

Partnership of Orange County, Contract #MS12029 – Purchase One Medium-Heavy-Duty Vehicle; Final Assembly, Inc., Contract #MS12031 – Purchase 2 Medium-Heavy-Duty Vehicles; Jim & Doug Carter’s Automotive/VSP, Contract #MS12036 – Purchase 2 Medium-Heavy-Duty Vehicles; and City of Manhattan Beach, Contract #ML12055 – Purchase One Medium-Duty Vehicle.

FY 2011-12 Invoices Paid

No invoices were paid during this period.

FYs 2012-14 Work Program Contracts

28 contracts from this work program year are open, and 25 are in “Open/Complete” status. One replacement contract is also pending execution. One contract closed during this period: City of Manhattan Beach, Contract #ML14071 – Install Electric Vehicle Charging Infrastructure. One contract passed into “Open/Complete” status during this period: Fullerton Joint Union High School District, Contract #MS14075 – Expand Existing CNG Station.

FYs 2012-14 Invoices Paid

3 invoices totaling \$662,516.17 were paid during this period.

FYs 2014-16 Work Program Contracts

63 contracts from this work program year are open, and 19 are in “Open/Complete” status. One replacement contract is also pending execution. 2 contracts closed during this period: City of Pomona, Contract #ML16020 – Install Road Surface Bicycle Detection Systems; and County of Orange, Contract #ML16064 – Implement “Open Streets” events with various local governments. One contract passed into “Open/Complete” status during this period: Arrow Services, Inc., Contract #MS16013 – Install Limited-Access CNG Station.

FYs 2014-16 Invoices Paid

5 invoices totaling \$2,267,852.10 were paid during this period.

FYs 2016-18 Work Program Contracts

58 contracts from this work program year are open.

FYs 2016-18 Invoices Paid

6 invoices totaling \$592,532.47 were paid during this period.

Administrative Scope Changes

10 administrative scope changes were initiated during the period of September 27, 2018 to January 3, 2019:

- City of Corona, Contract #ML14019 (Install EV Charging Stations, Bicycle Racks, and Bicycle Lockers) – Reduce contract value by \$66,456 due to lower than anticipated costs
- City of Yucaipa, Contract #ML16057 (Implement Complete Streets Project along County Line Road) – 12-month no-cost term extension
- County of Los Angeles, Contract #ML14060 (Install EV Charging Stations) – 48-month no cost term extension which includes 12 months for installation and 36 month operational period originally omitted in error
- City of Laguna Hills, Contract #ML18099 (pending) (Install Electric Vehicle Charging Stations) – Reduce stations from six to four, with a corresponding value decrease from \$50,000 to

\$32,250

- County of Los Angeles, Department of Public Works, Contract #ML14093 (San Gabriel BikeTrail Underpass Improvements) – Seven-month no-cost term extension
- City of Westlake Village, Contract #ML18035 (Install Electric Vehicle Charging Stations) – Increase stations from six to twenty-two
- City of San Fernando, Contract #ML16075 (Install Class I Bikeway) – One-year no-cost term extension
- Orange County Transportation Authority, Contract #MS18005 (Implement Special Bus Service to Orange County Fair) – Remove “per year” reimbursement limit from cost schedule
- City of Grand Terrace, Contract #ML18030 (Install Electric Vehicle Charging Stations) – Increase number and upgrade type of stations, at no additional cost to MSRC, and extend contract term three years (one year for installations and two years additional operation requirement)
- City of Westminster, Contract #ML18037 (Procure Three Light- and One Medium-Duty ZEVs and Install EV Charging Stations) – Modify scope to install three Level II stations and one Level III station, instead of four Level II stations, and extend contract term 30 months (six months for installation and two years additional operation requirement)
