Subject: RE: South Coast AQMD v. Western Municipal Water Dist. (6240-1) - Consent Calendar Request

Good morning Madam Clerk,

In response to Board Member Balagopalan's questions:

1. The Parties inadvertently omitted the Attachment for the vehicle replacement schedule, which is not proposed for modification at this time. The Attached version incorporates the Attachment.
2. The Parties have discussed and agree to the changes proposed by Board Member Balagopalan to further clarify the proposed findings. The Parties have stipulated to the attached revised Proposed Findings, and request the Board to decide the matter based on the Revised Proposed Order herein.

The Parties last request confirmation from the Clerk's office if, with these responses, the matter is approved for the Consent Calendar.

Respectfully Submitted,

Kathryn Roberts

Hi,

1. Where is the revised Attachment A referenced in the Proposed Findings and Decision document?
There is Attachment A that is included in Mr. Chris Fike's declaration. However, should there be a revised Attachment A as the Purchase Dates and Delivery dates for vehicles #290, 291 & 354 have changed? Please include Attachment A to the Revised Proposed Findings and Decision document.

2. Also, I suggest changing the Heading on the first page of the Findings and Decision document to say"

[PROPOSED] FINDINGS AND DECISION FOR A MODIFIED STIPULATED ORDER FOR ABATEMENT. There is also no reference to the declaration of Mr. Chris Fike as an Exhibit (##) .

For clarity on item #12, I suggest adding the date to "Since issuance of the Stipulated Order for Abatement, on September 12, 2023,"

Thanks.
