- Diesel PM

Community Emissions Reduction Plan Overview

Emission Reduction Targets

By 2029, reduce:

- 127.9 tons per year of NO_x
- 0.91 tons per year of DPM

Next Steps

Discussion

1. What do you want CARB's Governing Board to know about the Community Emissions Reduction Plan?
2. What "lessons learned" would you like us to share with other communities or CARB's Governing Board?
