

BOARD MEETING DATE: April 4, 2025

AGENDA NO. 11

REPORT: Legislative, Public Affairs and Media Report

SYNOPSIS: This report highlights the February 2025 outreach activities of the Legislative, Public Affairs and Media Office, which includes Major Events, Community Events/Public Meetings, Environmental Justice Update, Speakers Bureau/Visitor Services, Communications Center, Public Information Center, Small Business Assistance, Media Relations, and Outreach to Community Groups and Federal, State and Local Governments.

COMMITTEE: No Committee Review

RECOMMENDED ACTION:
Receive and file.

Wayne Nastri
Executive Officer

AL:DS:bel:cb

Background

This report summarizes the activities of the Legislative, Public Affairs and Media Office for February 2025. The report includes Major Events, Community Events/Public Meetings, Environmental Justice (EJ) Update, Speakers Bureau/Visitor Services, Communications Center, Public Information Center, Small Business Assistance, Media Relations, and Outreach to Community Groups and Governments.

Major Events (Hosted and Sponsored)

Each year, staff engage in hosting and sponsoring several major events throughout South Coast AQMD's four-county jurisdiction to promote, educate, and provide important information to the public regarding reducing air pollution, protecting public health, and improving air quality while minimizing economic impacts.

There were no major events hosted or sponsored in February.

Community Events/Public Meetings

Staff engaged with residents and stakeholders in a different communities to provide information about the agency, incentive programs, and ways individuals can help reduce air pollution through events and meetings sponsored by South Coast AQMD or in partnership with others. Attendees typically receive information regarding the following:

- Tips on reducing their exposure to smog and its negative health effects;
- How to file a complaint;
- Clean air technologies and their deployment;
- Invitations to or notices of conferences, seminars, workshops, and other public events;
- South Coast AQMD incentive programs;
- Funding/grant opportunities by South Coast AQMD and partner agencies;
- Ways to participate in South Coast AQMD's rules and policy development; and
- Assistance in resolving air pollution-related problems.

Staff attended and/or provided information and updates at the following February events and meetings:

Lake Arrowhead Communities Chamber of Commerce

On February 4, staff participated virtually in the Lake Arrowhead Communities Chamber of Commerce Government Affairs Committee meeting to provide information on Working Group Meeting #8 for Proposed Amended Rules 1111 - Reduction of NOx Emissions from Natural-Gas-Fired Furnaces; and 1121 - Reduction of NOx Emissions from Residential Type, Natural-Gas-Fired Water Heaters (PARs 1111 and 1121).

Orange County Business Council

On February 4, staff participated in-person at the Orange County Business Council Infrastructure Committee meeting to provide updates regarding wildfire efforts, emphasize the importance on how to utilize the Mobile App to receive air alerts, and to provide information on Working Group Meeting #8 for PARs 1111 and 1121.

South Bay Association of Chambers of Commerce

On February 4, staff participated virtually in the South Bay Association of Chambers of Commerce to share South Coast AQMD Compliance Assistance Training opportunities.

Santa Ana Chamber of Commerce

On February 11, staff participated virtually in the Santa Ana Chamber of Commerce Government Affairs Committee meeting to share information regarding Working Group Meeting #8 for PARs 1111 and 1121.

South Pasadena Chamber of Commerce

On February 12, staff participated virtually the South Pasadena Chamber of Commerce Legislative Affairs Committee meeting and provided updates on the mobile air monitoring for Eaton Fire and provided links to wildfire response and wildfire safety information.

Torrance Area Chamber of Commerce

On February 13, staff attended the Torrance Area Chamber of Commerce Government Affairs Policy Committee meeting to share updates on Working Group Meeting #8 for PARs 1111 and 1121.

Big Bear Chamber of Commerce

On February 13, staff participated virtually in the Big Bear Chamber of Commerce Government Affairs Committee meeting to inform them of the upcoming Working Group Meeting #8 for PARs 1111 and 1121.

San Gabriel Valley Council of Governments

On February 13, staff attended the San Gabriel Valley Council of Governments Special City Manager Steering Committee meeting to inform them of the upcoming Working Group Meeting #8 for PARs 1111 and 1121.

Coachella Valley Association of Governments

On February 13, staff participated virtually in the Coachella Valley Association of Governments Energy and Sustainability Committee to provide an update on the revised approach to PARs 1111 and 1121 and the related Working Group #8 meeting information.

Upland Chamber of Commerce

On February 13, staff participated virtually in the Upland Chamber of Commerce Government Affairs Committee to share information on the upcoming Working Group Meeting #8 for PARs 1111 and 1121.

Greater Riverside Chambers of Commerce

On February 14, staff participated virtually in the Greater Riverside Chambers of Commerce Government Affairs Committee meeting to share the revised approach of PARs 1111 and 1121 and Working Group Meeting #8 meeting details.

Emergency Preparedness Event

On February 22, staff participated in-person at Inner-city Struggle's Emergency Preparedness event in East Los Angeles to provide information on filing an air quality complaint, checking the Air Quality Index, and downloading the Mobile App.

American Lung Association

On February 23, staff attended in-person the American Lung Association's Fight For Air Climb and Wildfire Resource Fair at the Los Angeles Coliseum, to provide information on wildfire smoke and ash safety, the Mobile App, air quality complaints, and distributed N95 masks.

Riverside County Board of Supervisors

On February 25, staff attended in-person the Riverside County Board of Supervisors meeting to share information on the PARs 1111 and 1121 Public Consultation meeting details during Public Comment.

City of Riverside

On February 25, staff attended in-person the Riverside City Council meeting to share information on the revised approach for PARs 1111 and 1121 and the upcoming Working Group Meeting #8. during Public Comment.

South Bay Cities Council of Governments

On February 27, staff participated in-person at the South Bay Cities Council of Governments Board of Directors meeting to share PARs 1111 and 1121 Public Consultation meeting details and the Technology Showcase event.

Environmental Justice Update

The following are key EJ related activities in which staff participated during February. These events and meetings involve communities affected disproportionately from adverse air quality impacts.

Clean Air Program for Elementary Students (CAPES)

On February 5, staff participated in two school assemblies at Cesar Chavez Elementary in Coachella Valley for the CAPES, educating about 330 students on South Coast AQMD, the Air Quality Index and environmental careers.

Pacoima Community Initiative

On February 7, staff participated in the Pacoima Community Initiative's (PCI) monthly meeting. Staff shared information on the CAPES and Why Healthy Air Matters (WHAM) programs and how to report air quality issues.

California Regional Environmental Education Community

On February 12, staff participated in the California Regional Environmental Education Community Network's LA Winter Convening, which fosters regional partnerships to enhance environmental education. Discussions focused on sustaining successful collaborations between Community-Based Organizations and schools.

Why Healthy Air Matters (WHAM)

On February 18, staff conducted outreach at Mission Viejo High School and Fountain Valley High School, providing information and materials on the WHAM program, how to file a complaint, the Mobile App, and wildfire and ash safety.

Environmental Justice Advisory Group

On February 28, South Coast AQMD hosted the first quarterly Environmental Justice Advisory Group meeting, featuring updates on NOx and PM emission reductions and the permitting process for crematories.

Wildfire and Ash Safety

Staff distributed Wildfire and Ash Safety information across impacted communities, translating materials into Armenian, Chinese, Farsi, Korean, Spanish, and Tagalog. A total of 7,440 masks were delivered through offices of elected officials, community groups, and events. Outreach to Los Angeles County landscapers was conducted to provide information on wildfire and ash safety and the temporary Los Angeles County ban on leaf blowers. N95 masks were also distributed to landscapers. Email updates were sent to local, state, and federal elected officials, as well as other community organizations. Masks were distributed as follows:

- 2/4/25 – Downtown Women’s Center Los Angeles, Los Angeles: 260 N95 and 240 KN95 Masks
- 2/5/25 – Altadena Strong Meeting, Altadena: 1,440 N95 and 1,000 KN95 Masks
- 2/6/25 – Torres Consulting, Downey: 500 N95 Masks
- 2/11/2025 – Office of Los Angeles Councilmember Traci Park, Los Angeles: 2,000 KN95 Masks
- 2/14/25 – AAPI Equity Alliance, Los Angeles: 300 KN95 Masks
- 2/14/25 – Asian Americans Advancing Justice Southern California, Los Angeles: 200 KN95 Masks
- 2/23/25 – American Lung Association, Los Angeles: 1,000 KN95 Masks

Speakers Bureau/Visitor Services

South Coast AQMD regularly receives requests for staff to speak on air quality-related issues from a wide variety of organizations, such as trade associations, chambers of commerce, community-based groups, schools, hospitals, and health-based organizations. South Coast AQMD also hosts visitors from around the world who meet with staff on a wide range of air quality issues.

Lunch and Learn

On February 20, staff attended an in-person Lunch and Learn at New Revelations Baptist Church in Pasadena to introduce South Coast AQMD and air quality issues as well as our programs and resources for residents.

Cal Poly Pomona

On February 28, 30 chemical and mechanical engineering students from Cal Poly Pomona visited our facility to learn more about South Coast AQMD's Engineering and Permitting program and to tour the lab.

Communication Center Statistics

The Communication Center handles calls on South Coast AQMD's main line, 1-800-CUT-SMOG®, the Spanish line, and after-hours calls to those lines. Total calls received in the February of February are summarized below:

Calls to South Coast AQMD's Main Line and 1-800-CUT-SMOG®	2,113
Calls to South Coast AQMD's Spanish Line	34
Clean Air Connections	9
Total Calls	2,156

Public Information Center Statistics

The Public Information Center (PIC) handles phone calls and assists individuals who walk in for general information. Email advisories provide information on upcoming meetings and events, program announcements and alerts on time-sensitive issues. Information for the month of February is summarized below:

Calls Received by PIC	34
Calls to Automated System	138
Total Calls	172
Visitor Transactions	165
Email Advisories Sent	32,611

Small Business Assistance

South Coast AQMD notifies local businesses of proposed regulations so they can participate in the agency's rule development process. South Coast AQMD works with other agencies and governments to identify efficient, cost-effective ways to reduce air pollution and shares that information broadly. Staff provided personalized assistance to small businesses over the telephone, at South Coast AQMD headquarters and via virtual on-site consultation, as summarized below for February.

- Provided permit application assistance to 203 companies, and
- Processed 98 Air Quality Permit Checklists.
- Provided assistance in filing 1 request for variance

Types of businesses assisted:

Architecture Firms	Gas Stations	Schools
Auto Body Shops	Manufacturing Facilities	Warehouses
Construction Firms	Offices	
Dry Cleaners	Restaurants	
Engineering Firms	Retail Facilities	

Media Relations

The Media Office handles all South Coast AQMD outreach and communications with television, radio, newspapers and all other publications, and media operations. The February report is listed below:

Major Media Interactions	264
Press Releases	18
News Carousel	4

Major Media Topics:

- **Wildfire Response:**

Air Monitoring: Staff participated in interviews with Smart Cities Dive, SoCal News Group, and Kaiser Health News to discuss South Coast AQMD methods of testing for metals and toxic air contaminants, gathering air quality data, and providing data to the public. Staff participated in an interview with NBC showcasing the mobile monitors. Axios inquired about air monitoring regarding the wildfires. KCAL asked whether stage one mobile air monitoring of air toxics is a new effort with the fires, and how and when the results will be released. Student reporter at Pepperdine University requested information regarding the wildfire mobile monitoring in the Malibu area. Response was provided.

Wildfire Monitoring: SoCal News Group inquired about the findings from the wildfire air monitoring and the selection of fixed sites' location. Response was provided. Local News Pasadena was looking for information regarding the air quality in the San Gabriel Valley as affected by the Eaton wildfire. Working on a response.

Air Quality in Fire Zones: Staff participated in an interview with LA Public Press to discuss the air quality near the fire zones.

Long-term Health Effects: Epoch Times requested information on the long-term environmental effects from the LA fires, hazardous chemical compounds, and assessing risk of exposure. Response was provided.

Air Quality: Direct Relief inquired about the air quality in Los Angeles due to the wildfires. Response was provided.

Smoke: Climate Central inquired about the smoke from recent Los Angeles wildfires. Response was provided.

Debris/Landfills: Pasadena Star News inquired about air quality impacts along the route of transporting debris from wildfire areas to the processing sites. Response was provided. LA Public Press inquired whether we would deploy new monitoring sites and increase inspections near several landfills including Azusa Land Reclamation Site, Calabasas Landfill, and Sunshine Canyon Landfill. Response was provided.

- **Climate Pollution Reduction Grant (CPRG):** Washington Post inquired about CPRG and accessibility to the funds during Trump's administration. E&E News inquired about the CPRG funding, reimbursement process and other information. Politico inquired whether our agency has been able to access the funds. Responses were provided. New York Times requested information about the CPRG funds, specifically related to clean trucks program and the impact of Trump Administration on these grants. Response was provided. Capital and Main had follow-up questions about their CPRG inquiry. Response was provided. LA Times had questions about the CPRG funding status. Response was provided.
- **Rail Yard Indirect Source Rule (ISR):** Inside EPA requested an update on the Rail ISR. Response was provided.
- **Warehouse ISR (R2305):** KVCR requested an interview to discuss violations on the Warehouse ISR. Response was provided.
- **Chiquita Canyon Landfill:** Bloomberg News requested odor complaint information for Chiquita Canyon Landfill. Reporter was advised to submit a public records request due to the extensive scope of data being sought.
- **Sunshine Canyon Landfill:** LA Public Press requested more information regarding the compliance history of Sunshine Canyon Landfill. Response was provided.
- **Air Quality After Rain:** Staff participated in an interview with ABC News to discuss the air quality after the recent storm.
- **Residential Space and Water Heater Rules (PARs 1111 and 1121):** CalMTA was looking for information regarding PARs 1111 and 1121. Written response was provided.
- **Federal Funding and Warehouse Actions and Investments to Reduce Emissions (WAIRE):** Inside EPA inquired about all our federal funding currently frozen under the Trump Administration and a WAIRE report they believe is being released. Response was provided except for the exact dollar amount and breakdown for each frozen grant.
- **Colorado Lagoon Channel Project:** Long Beach Post requested information regarding the ongoing investigation for this project. Response was provided.

- **Ports Indirect Source Rule (PR 2304):** PBS requested an interview to discuss the proposed rule. Working on scheduling. CalMatters had follow-up questions on the proposed rule. Response was provided. Reporter had additional follow-up questions. Working on a response.
- **Summer Internship:** SoCal Public Radio requested information on the summer internship program. Response was provided.
- **El Sobrante Landfill:** LA Times had questions regarding the recent Hearing Board and variance request for El Sobrante. Response was provided.
- **Revised PAR 1111 and 1121 Press Release:** Pitched to media outlets resulting in media coverage.
- **New Air Monitoring Sites Press Release:** Pitched to media outlets resulting in media coverage.
- **Air Monitoring Dashboard Press Release:** Pitched to media outlets resulting in media coverage.
- **Air Monitoring Data Press Release:** Pitched to media outlets.
- **No-Burn Day Advisories:** Pitched to media outlets resulting in media coverage.
- **School Bus Funding Press Release:** Pitched to media outlets.
 - **Windblown Dust Advisories:** Pitched to media outlets resulting in media coverage.

News Releases:

- Advisories issued on No-Burn Alert and Extensions to inform the public of mandatory wood-burning bans and extensions due to predicted high air pollution. To view, click [here](#) and [here](#).
- Press release issued on Revised Proposed Rules on Residential Space and Water Heaters to address concerns from the public. To view, click [here](#).
- Windblown Dust Advisory and Ash issued due to high winds. Informed the public of windblown dust due to high wind events and ash. To view, click [here](#) and [here](#).
- Press release issued on Applications Open to Replace Older School Buses with Zero-Emission Models to encourage all public school districts to apply. To view, click [here](#).
- Press release issued on New Air Monitoring Sites Deployed for Eaton and Palisades Fires to support on-going clean-up efforts. To view, click [here](#).
- Press release issued regarding the launch of South Coast AQMD's new dashboard for air monitoring data. To view, click [here](#).
- Windblown Dust Advisory issued due to high winds. Informed the public of windblown dust due to high wind events. To view, click [here](#).

Outreach to Community Groups and Federal, State and Local Governments

Communication was conducted in February with elected officials and/or staff from the following state and federal offices:

- U.S. Senator Alex Padilla
- U.S. Senator Adam Schiff
- U.S. Representative Pete Aguilar
- U.S. Representative Nanette Barragán
- U.S. Representative Julia Brownley
- U.S. Representative Ken Calvert
- U.S. Representative Judy Chu
- U.S. Representative Gil Cisneros, Jr.
- U.S. Representative Lou Correa
- U.S. Representative Laura Friedman
- U.S. Representative Robert Garcia
- U.S. Representative Jimmy Gomez
- U.S. Representative Sydney Kamlager-Dove
- U.S. Representative Young Kim
- U.S. Representative Ted Lieu
- U.S. Representative Dave Min
- U.S. Representative Jay Obernolte
- U.S. Representative Luz Rivas
- U.S. Representative Dr. Raul Ruiz
- U.S. Representative Linda Sánchez
- U.S. Representative Brad Sherman
- U.S. Representative Mark Takano
- U.S. Representative Norma Torres
- U.S. Representative Derek Tran
- U.S. Representative Maxine Waters
- U.S. Representative George Whitesides
- Senator Ben Allen
- Senator Bob Archuleta
- Senator Catherine Blakespear
- Senator Sabrina Cervantes
