**KB Gardena Building, LLC Facility – Draft Removal Action Workplan**

The South Coast Air Quality Management District (SCAQMD) appreciates the opportunity to comment on the above-mentioned document and would like to be included in future public participation activities associated with the cleanup effort. If remediation or any on-site activity involves equipment or operations which either emits or controls air pollution, SCAQMD staff should be consulted in advance of the project start to determine whether or not any permits or plans are required to be filed and approved by SCAQMD prior to start of the operation. The following comments are intended to provide guidance to the lead agency and should be incorporated into the revised or final Removal Action Workplan (RAW), as appropriate.

The SCAQMD staff is available to work with the Lead Agency to ensure that project emissions are accurately evaluated and mitigated where feasible. If you have any questions regarding this letter, please contact me at [jbaker@aqmd.gov](mailto:jbaker@aqmd.gov) or call me at (909) 396-3176.

Sincerely,

*Jillian Baker*
