Draft Environmental Impact Report for the Proposed Cypress College Facilities Master Plan

The South Coast Air Quality Management District (SCAQMD) staff appreciates the opportunity to comment on the above-mentioned document. The following comments are intended to provide guidance to the lead agency and should be incorporated into the Final Environmental Impact Report (EIR) as appropriate.

The proposed project includes a medical waste incinerator. A permit from the SCAQMD would be required and the SCAQMD should be identified as a CEQA Responsible Agency for this project. The Final EIR should also demonstrate compliance with SCAQMD Rule 1147 – NO_x Reductions From Miscellaneous Sources. If there are permit questions concerning the incinerator, they can be directed to Engineering and Compliance Staff at (909) 396-2315.

The SCAQMD staff is available to work with the Lead Agency to address these concerns and any other air quality questions that may arise. Please contact Jack Cheng, Air Quality Specialist at (909) 396-2448, if you have any questions regarding these comments. We look forward to reviewing and providing comments for the Final EIR associated with this project.

Sincerely

Jillian Wong
