July 19, 2011

County Clerk, Tasha Arterberry  
County of Los Angeles  
12400 E. Imperial Hwy, Room 2001  
Norwalk, CA 90650

Ms. Arterberry:

**Re: Notice of Determination – Final Subsequent Mitigated Negative Declaration for Warren E&P Inc. WTU Central Facility New Equipment Project - SCH No. 2006041043**

Enclosed are two copies of a Notice of Determination (NOD) for the above project, which is located in Los Angeles County. The California Environmental Quality Act (CEQA) document for the proposed project was certified on July 19, 2011. Please record and post according to the provisions of CEQA. Enclosed is a check for \$75 to cover the handling fee for posting the notice.

The NOD contained herein is for a permit to construct for which the SCAQMD has prepared the Final Subsequent Mitigated Negative Declaration (SMND). The SCAQMD has determined that the project, for which the Final SMND was prepared, will have no impact on wildlife and the habitat upon which it depends. Therefore, the project is exempt from the Department of Fish and Game filing fee pursuant to Fish and Game Code 711.4(c), Title 14, CCR. A no effect determination form is also included for this project as required pursuant to Section 753.5 (c), Title 14, CCR.

Please confirm receipt of one copy and return to the undersigned. Self addressed envelopes have been provided for your convenience. If you have any questions, you can call me at (909) 396-3054.

Sincerely,

Steve Smith, Ph.D.  
Program Supervisor  
Planning, Rules & Area Sources

## NOTICE OF DETERMINATION

**To:** County Clerk, Tasha Arterberry  
County of Los Angeles  
12400 E. Imperial Hwy, Room 2001  
Norwalk, California 90650

**From:** South Coast Air Quality Management District  
21865 Copley Drive  
Diamond Bar, California 91765

**SUBJECT:** *FILING OF NOTICE OF DETERMINATION IN COMPLIANCE WITH SECTION 21152 OF THE PUBLIC RESOURCES CODE*

**Project Title:** Final Subsequent Mitigated Negative Declaration (SMND) for the Warren E&P Inc. WTU Central Facility New Equipment Project

**SCH Number:** 2006041043                      **Date Certified:** July 19, 2011

**Contact Person:** Steve Smith                      **Telephone Number:** (909) 396 - 3054

**Project Location:** WTU Central Facility is located at 625 E. Anaheim St., Wilmington, California 90744

**Project Description:** At its oil production facility at the Wilmington Townlot Unit (WTU) Central Facility, Warren E&P is proposing to remove the existing permitted Flare King flare and replace it with an ultra-low NO<sub>x</sub> Bekaert Clean Enclosed Burner® (Bekaert CEB®), refurbish existing Heater-Treater No. 1 (HT#1) and add an additional heater-treater (HT#2) with ultra-low NO<sub>x</sub> burners to meet oil-water separation needs, add up to nine Ingersoll-Rand MT-70 microturbines to generate electrical power for use on site, and remove a previously-operated water heater. In addition, Warren E&P is proposing to install gas re-injection equipment to reduce the need to combust excess gas production and, if warranted, gas sales equipment. The Bekaert CEB® and HT#2 meet the SCAQMD's best available control technology requirements. The proposed project does not include previous construction activities or previously permitted operations.

This is to advise that the *South Coast Air Quality Management District* has approved the above described project and has made the following determinations regarding the above described project:

1. The Final SMND was prepared for this project pursuant to the provisions of CEQA.
2. The proposed project has potential significant adverse impacts on the environment.
3. Mitigation measures were made a condition of the approval of this project that reduced the potential environmental impacts to less than significant.
4. A mitigation monitoring and reporting plan under PRC Section 21081.6 was adopted for this project.
5. A Statement of Overriding Considerations was not adopted for this project because the potential environmental impacts were not significant.
6. Findings were not made pursuant to the provisions of CEQA.

This is to certify that the Final SMND, supporting documentation, and record of project approval may be examined at: SCAQMD, 21865 Copley Drive, Diamond Bar, CA. 91765
