

## South Coast Air Quality Management District ENGINEERING & PERMITTING

Dear South Coast AQMD Permit Holders & Interested Parties:

Online payment systems and online filing for permit applications and equipment registrations will be unavailable due to system maintenance scheduled to begin Friday, June 28, 2024 at 10:00am. Maintenance is expected to be completed no later than July 1st, 2024 at 7:00am. During system downtime, you will be unable to submit or pay for permit applications or equipment registrations online. Unsuccessful attempts to pay online during this outage will not be honored as on-time payments.

Please be aware that the annual permit processing fee increase will be effective as of July 1, 2024. Please mail permit applications with checks to P.O. Box 4944, Diamond Bar, CA 91765-0944 during the scheduled outage. Complete applications postmarked June 30 will not be subject to the higher fees.

If you have any questions or require additional information, please contact:
