[†]Rule 2007 (e)(2)(I) requires that all agreements for a forward contract be reported by either the contracting parties, or by the agent, broker, or other intermediary representing the contracting parties. If the buyer and/or seller requests confidentiality, the District will keep the identity of the buyer and/or seller confidential to the extent allowed by law until the contract has been exercised as a transfer of RTCs. This report is required to be submitted to the AQMD within five (5) business days of the agreement. This form is for reporting a forward contract only. For a contingent right to purchase, use Form 2007-4A.
