Subject: [EXTERNAL] The Rail Yard Indirect Source Review (ISR) Rule must PASS

Good morning SCAQMD Board members,

RE: Rail Yard Indirect Source Review (ISR) Rule

The Rail Yard Indirect Source Review (ISR) Rule must pass!

We already live in a non-attainment area. Everything must be done to reduce pollution and its unhealthy impacts on all of us, but especially children and the elderly. At 80 years old some might say I now qualify as elderly.

Please vote to support that which will help protect our health.

Thank you,
