Re: Agenda Item No. 26 Proposed Rule 1146.2 – Strong Support for Passing
Life-Saving Regulation

Dear Chair Delgado and Members of the Governing Board:

The Sierra Club is pleased to submit on behalf of our two-hundred and eighty-five members across the South Coast Region who stand in strong support of this rule. The undersigned individuals have submitted comments and show strong support for Proposed Amended Rule 1146.2 which is a milestone regulation for zero-emission standards for all equipment covered under the rule.

The individuals below support you and urge you to pass this life-saving and critical regulation to clean up our air in the region.

Sincerely,

Kim Orbe

Sierra Club Angeles Chapter

Senior Conservation Program Manager

1. Yue Shen
Los Angeles, CA 90034
1146.2 matters to me because the summer months with smoggy air is approaching! We must use all feasible tools to address the air quality issues facing us ASAP.
2. Michael Rochmes
Culver City, CA 90066
As a parent in Culver City of two girls who love to play outdoors, I am concerned about how air pollution affects my children.
3. William Sandercock
Los Angeles, CA 90046
As a resident of Los Angeles who routinely breaths in dirty air day in and day out, we need to do everything possible to reign in air pollution in our region.
4. Lisa Swanson
Huntington Beach, CA 92646
As a resident of the District, I urge you to take this bold action to reduce health impacts and improve air quality in the South Coast region.
5. Ashley Craig
Long Beach, CA 90803
As an Angeleno, I care strongly about better air quality for me and my neighbors!
6. David Reid
Claremont, CA 91711
As someone who lives in the Inland Empire, clean air is of utmost and foundational importance. Thank you for your consideration to pass this important rule.
7. Jennifer Biswas
Culver City, CA 90232
8. Jennifer Lin
Danville, CA 94506
Clean air is very important to me
9. Kathy Monteleone
Lake Elsinore, CA 92530
Clean air, water, and planet is a right to all living things!
10. Jeremy Bird-Fremont
Santa Monica, CA 90405
Climate change affects us all and all areas of our society, it is essential we confront it head on.
11. Mary Driskill
Mission Viejo, CA 92692
For better health, we need clean air to breathe all the time!
12. Bonnie Robinson
Orange, CA 92869
For our health and the future of our children, we need to make these changes now.
13. Jason Price
Santa Clarita, CA 91390
For the future of my twin sixteen-year-old daughters, we must remove carbon emissions from the atmosphere and stem the growth of any other sources of pollution. Thank you for your consideration!
14. Leslie Klein
Los Angeles, CA 90027
i am a physician.
15. Dr. Tony Knight
Studio City, CA 91604
I am converting my home to all-electric efficient systems along with my solar power to make my home carbon-free

over time. It's high time that industry, schools, apartments, condos, and single-family homes ALL join the plan. In addition to rule-making,

16. Max Ryden
CRESTLINE, CA 92325
I am signing this message, but I also believe that something needs to be done about the emissions from ships in and around the Harbor. They emit a HUGE amount of particulates and other pollutants. If we want clean air in SoCal, this needs to be addressed
17. Susann Rizzo
Valencia, CA 91355
I am urging everyone to pay attention to our quality of life. We all prosper when clean energy is developed and used.
18. Paula Ocampo
Whittier, CA 90602
I have grown up in this area and really appreciate the strides that have made to ensure cleaner air. Please continue on and implement this latest good measure.
19. Mary Ann Ruiz
Chino, CA 91710
I live in Chino in San Bernardino County, with the worst ozone pollution in the country. With the proliferation of logistics in my community and others here in the SCAQMD region, we are constantly in a non-attainment area. Please take this step to move
20. Jay Ross
Los Angeles, CA 90064
I support the Sierra Club in this.
21. Fred Herrera
Sun Valley, CA 91352
I support the transition to zero emissions. Thank you and God Bless all of you!
22. Kathy Kahn
Laguna Niguel, CA 92677
If we don't take big, bold actions very quickly, we will pass the point of no return and be dealing with devastating climate disasters. Everything that can be done, must be done now!
23. Joclyn Rabbitt-Sire
Huntington Beach, CA 92646
I'm a mom, stepmom, and step-grandma to one of the cutest nine-month-old little girls you've ever seen. And I'm concerned about her and all young people inheriting this warming planet.
24. Pat Freeman
Laguna Woods, CA 92637
I'm a new grandmother and I care about my grandchildren's future on this planet.
25. Jillian Gallery
Seal Beach, CA 90740
It can be done. Let's do it now!
26. Rebecca Newman
Irvine, CA 92612
Let's keep Southern CA moving responsibly towards ZERO emissions. I taught in public schools and raised my children here in the late '60s-mid '80s and remember the days of smog alerts, asthma attacks, frequent ear infections and colds exacerbated by air p
27. David Sorge
Huntington Beach, CA 92646
Let's make real progress, don't ignore this critical stage & essential need.
28. Lisa Piner
Newport Beach, CA 92660
LET'S MOVE AWAY FROM FOSSIL FUELS
29. Tina Bowman

Long Beach, CA 90803

My husband and I strongly support your adopting the proposed amended rule. We have solar panels on our home and drive a Tesla and a Prius Prime (pklug-in hybrid). We try to do our part, please do yours! Thanks!

30. Jeffrey Wang

Hacienda Heights, CA 91745
Please act with urgency!

31. Jessica Craven

Los Angeles, CA 90065
Please do this you guys. We need to move faster and it's your job to help us make progress!

32. Gary Gebele

Granada Hills, CA 91344
Please help to keep the air clean now and into the future.

33. Maryam Mortezaiefard

West Hills, CA 91308
Please invest in clean energy solutions & increase use of solar energy and other clean energy sources. It's a shame that we have so many ways to achieve zero emissions and not doing it.

34. Julie Neidich

Ladera Ranch, CA 92694
Please transition to zero-emission equipment by adopting this rule!

35. Elliot Bronwein

Newhall, CA 91321
Southern CA has some of the worst air pollution in the nation. We need to take this health crisis seriously and do everything we can to improve air quality.

36. Mary Lou Rosczyk

Murrieta, CA 92562

Targeting commercial equipment is a big first step in getting us more breathable air.

37. Serena Palmer

ANAHEIM, CA 92801
Thank you for all of the work on this regulation so far. I greatly appreciate the Board and Staff getting us to the finish line with such a strong regulation. The Board has the power to deliver clean air to all of the residents in the South Coast Basin. I

38. Raymond Smith

Ontario, CA 91761
Thank you for your years of work improving the air quality in Southern California. Please adopt Rule 1146.2 which will make a huge difference. We are counting on you to act of our behalf.

39. Sam Butler

Los Angeles, CA 90045
This is a golden opportunity to reduce emissions and clean up our air. Please stand strong and implement this excellent and strong rule that will make the lives of all southern Californians better.

40. Mark Rhomberg

Pacific Palisades, CA 90272
This is a matter of life and death!

41. Ed Chessor

Indio, CA 92203
This is as important as supporting EV adoption, and comes with lower capital costs. Time to act!

42. Garry Star

Thousand Oaks, CA 91362
THIS IS CRITICAL!!!

43. Morgan Goodwin

North Hollywood, CA 91601

this is such an important step for our region. Please bring your leadership to this moment.

Time - past time - to get serious about greenhouse gas emissions.

46. Jim Stewart
Lakewood, CA 90712
We all are frustrated with all the asthma in our region! End it NOW!

47. Maryellen Redish
Palm Springs, CA 92262
We all want clean air to breath.

48. William Nash
Long Beach, CA 90815
We are at a critical point in history. Climate change is a fact and we can either take bold fast action now or wait until it is truly too late and look back and say we should have moved faster. You are an important part of the solution. Please take the ac
